TURF BUILDER[®] Plus Moss Control

Moss Control Plus Fertilizer

Treats 5,000 sq. ft.
TURF BUILDER[®]
Plus Moss Control
Moss Control Plus Fertilizer

— *The Scott's Difference* —

- Kills moss and helps develop thick, green turf
- Timed-release nitrogen won't burn your lawn or cause surge growth
- Scott's No-Quibble Guarantee
- Toll-free Consumer Hotline: 1-800-543-TURF

Unlike other fertilizers with moss control, every particle of Turf Builder Plus Moss Control contains:

- Scott's patented timed-release nitrogen
- Phosphorus
- Potassium
- Moss Control

3505
1

Treats 5,000 sq. ft.

16-2-3

NET WEIGHT 25.00 LBS.
(11.35 kg)
Made in U.S.A.

KEEP OUT OF REACH OF CHILDREN.
CAUTION:

CAUTION
PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals: CAUTION: Harmful if swallowed, inhaled or absorbed through skin. Causes moderate eye irritation. Avoid contact with skin, eyes or clothing. Avoid breathing dust. Wash thoroughly with soap and water after handling. Remove and wash contaminated clothing before reuse.

STATEMENT OF PRACTICAL TREATMENT: If in eyes: Flush with plenty of water. Call a physician if irritation persists. If swallowed: Call a physician or Poison Control Center. Drink one or two glasses of water and induce vomiting by touching back of throat with finger. Do not induce vomiting or give anything by mouth to an unconscious person. If on skin: Wash with plenty of soap and water. Get medical attention. If inhaled: Remove victim to fresh air. If not breathing, give artificial respiration, preferably mouth-to-mouth. Get medical attention.

Environmental Hazards: Do not apply directly to water. Do not contaminate water by cleaning of equipment wastewater or rinsate. Apply this product only as specified on this label.

STORAGE: Store in a clean, dry place. Reveal opened bag by folding top down and securing. Do not contaminate feed or food materials.
PESTICIDE DISPOSAL: Securely wrap original container in several layers of newspaper and discard in trash.

CONTAINER DISPOSAL: Do not reuse bags. Recycle bag in trash. Turf Builder® Plus Moss Control (16-2-3)

Guaranteed Analysis

Total nitrogen (N)	16%
1.3% water insoluble nitrogen	
1.8% water soluble organic nitrogen*	
2.9% water insoluble nitrogen**	
Available phosphorus (P ₂ O ₅)	2%
Soluble potash (K ₂ O)	3%
Sulfur (S) (Combined)	14%
Iron (Fe) (Soluble)	5.79%

Product of USA

Scott's
TURF BUILDER[®]
Plus Moss Control
Moss Control Plus Fertilizer

The Scotts Difference

Scotts Patented Particle Technology is available only in Scotts® products, so don't be fooled by fertilizer-plus-moss-control products claiming to be "just like Scotts".

Remember, even moss control and fertilizer products claiming to contain slow- or controlled-release nitrogen are typically just simple mixes, so they can't deliver the consistent great results you'll get from Scotts Patented Particle Technology. With Scotts Turf Builder Plus Moss Control, every particle contains timed-release nitrogen, plus the other primary nutrients and moss control.

Photo 1 Simple mix particles	Photo 2 T.B. + Moss Control particles	Photo 3 Simple mix pattern	Photo 4 T.B. + Moss Control pattern
---------------------------------	--	-------------------------------	--

ORDINARY SIMPLE MIXES
• Nutrient and moss control granules of many different sizes and shapes.
• Result: granules of unequal size can separate during application.

SCOTT'S TECHNOLOGY
• Turf Builder Plus Moss Control granules are consistent in size and shape.
• Result: consistent distribution of nutrients and moss control.

ORDINARY SIMPLE MIXES
• The amount of individual nutrients and moss control delivered in each square inch of lawn may vary greatly.
• Result: uneven, inconsistent moss control and feeding.

SCOTT'S TECHNOLOGY
• Turf Builder Plus Moss Control particles deliver the same ratio of primary nutrients plus moss control to every square inch of turf.
• Result: consistent growing plus better moss control.

What to expect

Each uniform granule in this bag contains the necessary active ingredients to control the moss in your lawn as well as Turf Builder fertilizer to help make your

lawn thick and green. Each moss plant in your lawn will get thoroughly coated to assure complete, effective control. The moss will turn black and eventually disappear.

Directions for use

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

How and when to apply

Apply during winter or spring when moss is actively growing.
• It is best to apply when the lawn is moist and tall grass has been mowed to expose low-growing moss. Use the REGULAR RATE (covers 5,000 sq. ft.) for normal moss infestation. Use the HEAVY RATE (covers 4,000 sq. ft.) for heavy moss infestation.

- Do not apply to a newly seeded or sodded lawn until it has been mowed four times.
- Brush or rinse particles from concrete, stone, clothing, or shoes to prevent staining.
- Grass blades may show a temporary black color, but this condition will disappear after mowing.

Spreading tips

For best results, use a Scotts spreader

Spreader Settings		DIRECTIONS	
REGULAR RATE covers 5,000 sq. ft.	HEAVY RATE covers 4,000 sq. ft.		
Scotts Drop Spreaders	6 1/4	6 3/4	Mow lawn first; apply 2 header strips; apply larger direction of travel, overlapping wheel marks.
Scotts EasyGreen® Rotary	26 1/2	27	Make each pass about 30 inches from previous pass to overlap spread width.
Scotts Speedy Green® Rotary	5	5 1/2	Make each pass about 5 feet from previous pass to overlap spread width.

Additional Spreader Settings

EZ Drop, Republic (#530)	6
EZ Broadcast, Republic (#540)	3-1/2
Red Devil Drop (#FH-22)	7
Red Devil Rotary (#SB-50)	6
Quaker Drop (Model #10850)	5-1/2
Quaker Rotary (Model #10301)	4

(Non-Scotts spreader settings are approximate. You may need to adjust for proper coverage.)

CAUTION

PRECAUTIONARY STATEMENTS

Hazardous to Humans and Domestic Animals. CAUTION: Harmful if swallowed. Irritated or absorbed through skin. Causes moderate eye irritation. Avoid contact with skin, eyes or clothing. Avoid breathing dust. Wash thoroughly with soap and water after handling. Remove and wash contaminated clothing before reuse.

STATEMENT OF PRACTICAL TREATMENT

First Aid: Wash with plenty of water. Call a physician if irritation persists. **Eye:** Wash with water. Call a physician or Poison Control Center. Drink 1 or 2 glasses of water and induce vomiting by reaching back of throat with finger. Do not induce vomiting or give anything by mouth in an unconscious person. **Respiratory:** Wash with plenty of soap and water. Get medical attention. **Inhalant:** Remove victim to fresh air. If not breathing, give artificial respiration. Preferably mouth-to-mouth. Get medical attention.

Environmental Hazards: Do not apply directly to water. Do not contaminate water by cleaning of equipment or disposal of excess. Apply this product only as specified on the label.

STORAGE: Store in a clean, dry place. Re-seal opened bag by folding top down and securing. Do not contaminate feed or food stuff.

PESTICIDE DISPOSAL: Securely wrap original container in several layers of newspaper and discard in trash.

CONTAINER DISPOSAL: Do not reuse bag. Discard bag in trash.

Directions For Use

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

Use Precautions

Do not apply to a newly seeded or sodded lawn until it has been mowed four times.

Brush or rinse particles from cement, stone, clothing, or shoes to prevent staining.

Grass blades may show a temporarily black color, but this condition will disappear after mowing.

Instructions

Apply during winter or early spring when moss is actively growing.

It is best to apply when the lawn is moist and tall grass has been mowed to expose low-growing moss. Use the **REGULAR RATE** (covers 5,000 sq.

ft.) for normal moss infestation. Use the **HEAVY RATE** (covers 4,000 sq. ft.) for heavy moss infestation. The moss will turn black and eventually disappear.

Spreader Settings

For best results, use a Scotts spreader.

	REGULAR RATE covers 5,000 sq. ft.	HEAVY RATE covers 4,000 sq. ft.
Scotts Drop Spreaders	6 1/2	6 1/2
Scotts EasyGreen® Rotary (ER-2)	26	26 1/2
Scotts SpeedyGreen® Rotary	4 1/2	5

TIPS ON SPREADING WITH SCOTTS SPREADERS

Scotts Drop:

- First apply 2 header strips.
- Operate spreader the longest way of the lawn.
- Overlap wheels to insure uniform feeding.
- Shut off spreader when you have reached the header strips or stopped.

EasyGreen® Rotary:

- Slide shut-off lever to the right, application automatically starts and stops when you do.
- Avoid misses by making each pass about 30 inches from the previous one so some overlapping occurs.

SpeedyGreen® Rotary:

- Shut off spreader anytime you stop.
- Avoid misses by making each pass about 5 feet from the previous one so some overlapping occurs.

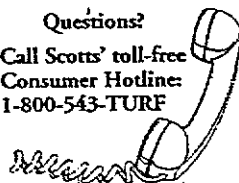

Additional Spreader Settings:

	REGULAR RATE	HEAVY RATE
EZ Drop, Republic (#530)	6 1/2	7
EZ Broadcast, Republic (#540)	2 1/2	3
Quaker Drop (#10850)	7 1/2	8
Quaker Rotary (#10501)	4	-
Red Devil Drop (FH-22)	7	7 1/2
Red Devil Rotary (SB-50)	6	7
Orto Drop	6 1/2	7
Orto Rotary	2 1/2	3

(Non-Scotts spreader settings are approximate. You may need to adjust for proper coverage.)
