RE: Notification of Labeling Revision and Submittal of Final Printed Label
EPA Registration Number: 538-237
Date of Submission: January 22, 2008

Dear Ms. Newell:

The Agency is in receipt of your Application for Pesticide Notification under Pesticide Registration Notice (PRN) 98-10 dated, January 22, 2008, for the product, Landscape Lawn Fertilizer with Crabgrass Control. The Registration Division (RD) has conducted a review of this request for its applicability under PRN 98-10 and finds that the actions requested fall within the scope of PRN 98-10. The label submitted with the application has been stamped "Notification" and will be placed in our records.

If you have any questions, please me directly at 703-305-6249 or Joyce Edwards of my staff at 703-308-5479.

Sincerely,

A handwritten signature in black ink, appearing to read "Linda Arrington".

FIRST AID

If on skin or clothing

- Take off contaminated clothing.
- Rinse skin immediately with plenty of water for 15-20 minutes.

If in eyes

- Hold eye open and rinse slowly and gently with water for 15-20 minutes.
- Remove contact lenses, if present, after first 5 minutes, then continue rinsing eye.

Call a poison control center or doctor for treatment advice. Have the product container or label with you when calling poison control center or doctor, or going for treatment. You may also contact 1-877-561-6584 for Emergency Medical Assistance.

PRECAUTIONARY STATEMENTS

Hazards To Humans and Domestic Animals

CAUTION. Harmful if absorbed through skin. Causes moderate eye irritation. Avoid contact with skin, eyes or clothing.

Personal Protective Equipment (PPE)

All loaders, applicators and other handlers must wear:

- Long-sleeved shirt and long pants
- Chemical resistant gloves made of waterproof materials, and
- Shoes plus socks

User Safety Recommendations

User should wash hands thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. User should remove clothing immediately if pesticide gets inside. Then wash thoroughly and put on clean clothing. Follow manufacturer's instructions for cleaning/maintaining PPE. If no such instructions for washables, use detergent and hot water.

ENVIRONMENTAL HAZARDS

This pesticide is toxic to fish. Do not apply directly to water or to areas where surface water is present or to intertidal areas below the mean high water mark. Do not apply when weather conditions favor drift from treated areas. Drift and run-off from treated areas may be hazardous to aquatic organisms in neighboring areas. Do not contaminate water when disposing of equipment wash waters. In case of spills, either collect for use or dispose of properly.

Staining Note: Can cause staining to cement, stone, metallic surfaces (such as automobiles and garden furniture), clothing or shoes. If contact occurs, brush off particles to prevent staining. If necessary, rinse off with water.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

APPLICATION

Scotts Landscaper Pro™ Turf Fertilizer With Pre-Emergent Weed Control should be applied when your lawn is dry. It is not necessary to water this product in after application. However, for best results the lawn should receive ¼ to ½ inch of water from rainfall or irrigation within 2-3 days after application.

Apply in early spring before the third or fourth mowing, or before temperatures are regularly in the 80s. Rain, snow, or freezing weather will not affect the performance of this product.

Note: Product applies 1.50 lbs pendimethalin per acre in 3.1 lbs of product per 1000 square feet at the Regular Rate. It applies 2.0 lbs pendimethalin per acre in 4.1 lbs of product per 1000 square feet at the Heavy Rate.

- For Kentucky bluegrass, fine fescue, tall fescue, perennial ryegrass, and blends of these grasses, apply at the REGULAR RATE.
- For bermudagrass, bahiagrass, centipede grass, zoysiagrass and blends of these grasses, apply at the HEAVY RATE.

Apply to prevent germination of crabgrass, foxtail, barnyardgrass, fall panicum, spurge*, and oxalis (common yellow woodsorrel):

- In early spring (before dandelions reach the puffball stage)
- Before March in southern California
- Before mid-March in northern California

*For heavy infestations, a repeat treatment is recommended after 6 to 8 weeks.

Lbs. of N/ 1000 sq ft	0.9	1.2
Lbs. of P2O5/ 1000 sq ft	0.09	0.1

Apply in the fall (August - October), after temperatures have cooled and fall rains have begun, to prevent moss (except in California) from becoming established during winter or next spring, or to prevent germination of *Poa annua* and chickweed.

Use Precautions

- Do not apply to newly seeded or sodded areas until after the fourth mowing. On newly sprigged areas, wait 5 months before application.
- Do not seed or sod for 4 months following application. The crabgrass barrier prevents grass seed from sprouting.
- Not for use on dichondra, bentgrass or St. Augustinegrass lawns.
- Except for heavy infestations of spurge, allow at least a 4-month interval between applications of this product. Do not apply this product more than twice annually.

Entry Restriction

- Do not apply this product in a way that will contact workers or other persons, either directly or through drift. Only protected handlers may be in the area during application.
- Do not enter or allow others to enter the treated area until dust has settled.

IMPORTANT: Do not rake or aerify for 4 months after application, to avoid disturbing the crabgrass barrier on the soil surface.

ACTIVELY GROWING CRABGRASS OR MOSS

This product does not control actively growing crabgrass, moss, or other existing weeds.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

Pesticide Storage

Keep out of reach of children and animals. Store in original containers only. Store in a cool, dry place and avoid excess heat. Reseal opened bag by folding top down and securing. In case of spill, avoid contact, isolate area and keep out animals and unprotected persons. Confine spills. To confine spill: Cover to prevent dispersal. Place damaged package in a holding container. Identify contents.

Pesticide Disposal

Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

Container Disposal

Paper and plastic bags: Completely empty bag into application equipment. Then dispose of empty bag in a sanitary landfill or by incineration, or, if allowed by state and local authorities, by burning.

IMPORTANT NOTICE FROM THE SCOTTS COMPANY LLC AND SCOTTS-SIERRA HORTICULTURAL PRODUCTS COMPANY ("SCOTTS").

PLEASE READ BEFORE USE

By using this product, user or buyer accepts the conditions, disclaimer of warranties and limitations of liability. Read the entire directions for use, conditions of warranties and limitations of liability before using this product. If terms are not acceptable, return the unopened product container at once for full refund.

CONDITIONS: This product has been researched to provide necessary data to support its uses listed on the label. The directions for use of this product are believed to be adequate and the user or buyer must always follow the label directions carefully and exercise judgment and caution when using this product under their growing conditions. However, it is impossible to eliminate all risks associated with the use of this product. Crop injury, ineffectiveness, unsatisfactory or substandard results or other unintended consequences may result because of such factors as weather conditions, presence or absence of other materials, or the manner of use or application, all of which are beyond the control of Scotts. All such risks shall be assumed by the user or buyer.

WARRANTY: This product corresponds to all claims and descriptions set forth on the label and, subject to the conditions set forth above, is reasonably fit for use for any purpose for which it is intended. Scotts recognizes that the rights and remedies of the user or buyer are subject to the provisions of the applicable state law, but makes no other warranties or representations, express or implied, of merchantability or of fitness for a particular purpose or otherwise, that extend beyond the statements made on this label. No agent of Scotts is authorized to make any warranties beyond those contained herein or to modify the warranties contained therein. Subject to the user's or buyer's rights and remedies under the applicable state law, Scotts disclaims any liability whatsoever for special, incidental or consequential damages resulting from the use or handling of this product.

LIMITATIONS OF LIABILITY: Subject to the user's or buyer's rights and remedies under the applicable state law, the exclusive remedy of the user or buyer and the liability of Scotts or its affiliates, for any and all losses, injuries or damages resulting from the use or handling of this product, whether in contract, warranty, tort, negligence, strict liability or otherwise, shall not exceed the purchase price paid by the user or Buyer for the quantity of this product involved or at Scotts' election, the replacement of the product. Subject to the user's or buyer's rights and remedies under the applicable state law, any and all claims or actions related to the use or handling of this product must be commenced within one (1) year from the date the product was purchased.

SUBJECT: Landscape Lawn Fertilizer with Crabgrass Control, EPA Reg. No. 538-237
Labeling revision and submittal of Final Printed Label

Dear Ms. Hobgood:

Enclosed are the following materials in support of this notification under PR Notice 98-10:

- (1) Registration application, Form 8570-1
- (2) Two (2) copies of the final printed label

General labeling revision is as follows:

- Adding zoysiagrass to the "Application" section of the label.

If you have any questions regarding this submission, please contact me at 937.644.7314.

"Notification of label changes relative to PR Notice 98-10. This notification is consistent with the guidance in PR Notice 98-10 and the requirements of EPA's regulations at 40 CFR 156.10 and 40 CFR 152.46, and no other changes have been made to the labeling or the confidential statement of formula of this product. I understand that it is a violation of 18 U.S.C. Sec. 1001 to willfully make any false statement to EPA. I further understand that if this notification is not consistent with the guidance of PR Notice 98-10 and the requirements of 40 CFR 156.10 and 40 CFR 152.46, this product may be in violation of FIFRA and I may be subject to enforcement action and penalties under sections 12 and 14 of FIFRA".

Respectfully,

The Scotts Company
