**NOTIFICATION**

NOV - 7 2005

Subject: **Lawn Pro Weed & Feed for Lawns**  
EPA Reg. No. 538-270

NOTIFICATIONS – general label revisions

Dear Mr. Tompkins,

We are notifying the Agency of the following revisions:

- (1) Addition of the following marketing claim, "Apply to wet lawn for best results"
- (2) We have revised the following "Wait until the new grass has been mowed at least **four** times before applying . . ." to read "Wait until the new grass has been mowed at least **three** times before applying . . ."

Enclosed are two (2) copies of the final printed label with changes highlighted to facilitate your review. Should you have any questions regarding this NOTIFICATION, please contact me at 937-644-7214.

**"This notification is consistent with the provisions of PR Notice 95-2, 98-10 and EPA regulations at 40 CFR 152.46, and no other changes have been made to the labeling or the confidential statement of formula of this product. I understand that it is a violation of 18 U.S.C. Sec. 1001 to willfully make any false statement to EPA. I further understand that if this notification is not consistent with the terms of PR Notice 95-2, 98-10 and 40 CFR 152.46, this product may be in violation of FIFRA and I may be subject to enforcement action and penalties under sections 12 and 14 of FIFRA".**

Respectfully,  
The Scotts Company

Key Product Facts

Directions for Use: It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Application

Apply on bare weeds or actively growing (when daytime temperatures are consistently above 60 F).

Watering or rain: Do not water your lawn for 24 hours after application. Water will wash the weed control off the weeds' leaves and reduce the effectiveness of this product.

IMPORTANT!

What to expect: Weed stems and leaves will begin to wilt and curl in a few days, but a month or more may be required for complete control.

Seeding/Soiling: Wait until the new grass has been mowed at least three times before applying Scotts Turf Builder with Plus 2 Weed Control.

Spreader Settings: Apply broadcast strips. Then apply product in longest direction of lawn. For best results, use a Scotts spreader.

Datos Clave del Producto

Instrucciones: Es una violación a la ley Federal usar este producto de forma inconsistente con su etiqueta.

Aplicación

Aplicar en las malas hierbas o en césped que crece activamente (cuando las temperaturas del día son arriba de 60°F constantemente).

Riego o lluvia: No debe regar ni las siguientes 24 horas después de la aplicación. El agua lavará el herbicida de las hojas de las malas hierbas y reducirá la efectividad de este producto.

¡MUY IMPORTANTE!

¿Qué debe esperar? Los tallos y hojas de las malas hierbas se empezarán a retorcer y a poner rizados en pocos días, pero puede ser necesario un mes o más para obtener un control completo.

Siembra/abonado: Espere a que la nueva grama haya sido cortada por lo menos tres veces antes de aplicar el Scotts Turf Builder con control de malas hierbas Plus 2.

Consejos para esparcir: Aplique franjas paralelas. Luego aplique el producto en el sentido más largo del césped. Para mejores resultados, utilice un esparcidor Scotts.

Spreader Settings

Spreading Tips: Apply broadcast strips. Then apply product in longest direction of lawn. For best results, use a Scotts spreader.

Selector del Esparcidor

Consejos para esparcir: Aplique franjas paralelas. Luego aplique el producto en el sentido más largo del césped. Para mejores resultados, utilice un esparcidor Scotts.

First Aid and Environmental Information

KEEP OUT OF REACH OF CHILDREN CAUTION

Precautionary Statements: Hazards to Humans and Domestic Animals

CAUTION: Harmful if swallowed. Avoid inhalation and contact with skin, eyes, or clothing.

First Aid: If swallowed: Call a poison control center or doctor immediately for treatment advice.

Información sobre primeros auxilios y medio ambiente

MANTENER FUERA DEL ALCANCE DE LOS NIÑOS PRECAUCIÓN:

Avisos de Precaución: Riesgos para humanos y animales domésticos

PRECAUCIÓN: Dañino si se traga. Evite la inhalación y el contacto con la piel, ojos o ropa.

Primeros Auxilios: Si entra en los ojos: Lávese los ojos abundantemente con agua durante por lo menos 15-20 minutos.
