Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator on his motion may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is registered under 3(c)(5) with the following terms and conditions

1. Scotts will not sell, distribute, or market the subject product for sale or use by any other person until Scotts has been informed by EPA in writing that this condition of registration has been amended. This restriction will not prohibit the use or distribution of the subject product for EPA approved research purposes. Further, once EPA has received and reviewed all relevant studies should the Agency determine that these data demonstrate the subject aminocyclopyrachlor product (when used in accordance with label directions) will generally not cause unreasonable adverse effects on the environment, this condition will be removed.

If these conditions are not complied with, the registration will be subject to cancellation under FIFRA section 6. If you have any questions regarding this notice, please contact me at (703) 306 0415 or davis.kable@epa.gov
