SNAIL and SLUG PELLETS

READ ENTIRE LABEL. USE STRICTLY
IN ACCORDANCE WITH LABEL CAU-
TIONS, WARNINGS AND DIRECTIONS
AND IN CONFORMITY WITH FED-
ERAL AND STATE REGULATIONS

DIRECTIONS

SNAILS AND SLUGS: Toss the dry material throughout the entire garden. These pests travel and feed almost exclusively at night, bait bedding plants and other low growing plants. Apply to soil surface around the plants. Do not contaminate edible parts. For citrus trees sprinkle around base of trees. Distribute bait in the garden thoroughly. Repeat at three week intervals or as necessary. If ground is dry, sprinkle garden until wet.

FOR SNAILS AND SLUGS IN DICHONDRA, CLOVER AND/OR GRASS LAWNS: Distribute dry bait over entire lawn as necessary. One pound will treat 800 to 1500 square feet.

WARNING: Do not contaminate ponds or drinking water. Avoid contact with skin, eyes or clothing. Keep out of reach of children, pets and domestic animals. Dogs may be attracted to this bait. Care should be taken to keep these animals out of treated areas. Dispose of container promptly when empty. Harmful dust may be fatal if swallowed.

NON-WARRANTY: Seller makes no warranty of any kind express or implied concerning the use of this product. Buyer assumes all risks of use or handling whether in accordance with directions or not.

DIRECTIONS

SNAILS AND SLUGS: Toss
the dry material throughout
the entire garden. These
pests travel and feed almost
exclusively at night, bait bed-
ding plants and other low
growing plants. Apply to soil
surface around the plants.
Do not contaminate edible
parts. For citrus trees sprin-
kle around base of trees. Dis-
tribute bait in the garden
thoroughly. Repeat at three
week intervals or as neces-
sary. If ground is dry, sprin-
kle garden until wet.

**FOR SNAILS AND SLUGS IN
DICHONDRA, CLOVER AND/
OR GRASS LAWNS:** Distrib-
ute dry bait over entire lawn
as necessary. One pound will
treat 800 to 1500 square feet.

WARNING: Do not contami-
nate ponds or drinking wa-
ter. Avoid contact with skin,
eyes or clothing. Keep out of
reach of children, pets and
domestic animals. Dogs may
be attracted to this bait.
Care should be taken to keep
these animals out of treated
areas. Dispose of container
promptly when empty. Harm-
ful dust may be fatal if
swallowed.
