DIRECTIONS FOR USE

Shake well before using. To operate remove cap and hold bomb 18 to 24 inches from plant when spraying. It is important to hold bomb 18 to 24 inches from plant to prevent leaf burn. Spray plants lightly, making sure that all parts of plant are sprayed. Examine the plants at weekly intervals and spray when needed.

NOTE: Do not wet new growth nor spray sensitive plants such as fern, ivy, or begonia with this spray.

WARNING: Contents under pressure. Do not puncture. Do not use or store near heat or open flame. Exposure to temperatures above 130° F. may cause bursting. Never throw container into fire or incinerator. Keep out of reach of children. Avoid breathing spray mist.

Conditions of use are beyond seller's control. Seller's liability is limited to product replacement or purchase price refund. Seller makes no warranty, express or implied, concerning product use beyond claims on label.
