# DIFFUSOR SPRAY CONCENTRATE

**Kills Flies, Mosquitoes, Gnats, Roaches, Waterbugs, Silverfish, Crickets, Spiders, Grain Weevils, Grain Moths, Flour Beetles, Grain Mites, Ants, Fleas, Brown Dog Ticks, Bedbugs and Carpet Beetles.**

Active Ingredients: Petroleum distillate, N-ethyl bicycloheptene dicarboximide, Technical piperonyl butoxide, Pyrethrin 100%.

\*Consists of (butyl-ethyl) (6-propyl-piperonyl) ether and related compounds.

In respect to fire hazard, DIFFUSOR SPRAY CONCENTRATE is rated by U.L. between 25 and 30, classed between paraffin oil and kerosene.

### DIRECTIONS

**AS A SPACE SPRAY FOR FLYING INSECTS:** For flies, mosquitoes and gnats. Close all windows and doors. Turn off any window blind systems. Draw in foodstuffs to prevent contamination of food. Turn off any lights. Remove any foodstuffs whose taste or flavor might be affected by the spray. For the best results in large areas, dispense with an electric sprayer. Attach nozzle which produces a very fine cloud of mist. Spray approximately 7 minutes for each 10,000 cu. feet of space. Leave room closed for at least 10 minutes after spraying. Remove all furniture and insects. Repeat application as often as necessary.

**AS A SURFACE SPRAY FOR CRAWLING INSECTS:** For roaches, waterbugs, silverfish, crickets and spiders. Turn on lights. Sweep and dust floor in the air. Direct the spray to infested areas. Spray under furniture, in cracks, crevices, where insects hide. Wet thoroughly, covering all areas of infestation. Repeat application as often as necessary. For ants, spray in areas where they travel, such as along baseboards, in cracks, crevices, and under furniture. Repeat when necessary.

**FOR GRAIN, WEEVILS, MOths, FLOUR BEETLES AND GRAIN MITES:** Accessible. Sprinkle. Wet surface areas of infestation. Repeat application as often as necessary.

**FOR ANTS:** Spray in areas where they travel, such as along baseboards, in cracks, crevices, and under furniture. Repeat when necessary.

**FOR BEDBUGS:** Spray in areas where they travel, such as along baseboards, in cracks, crevices, and under furniture. Repeat when necessary.

**FOR TICKS:** Spray in areas where they travel, such as along baseboards, in cracks, crevices, and under furniture. Repeat when necessary.

**FOR FLEAS:** Spray in areas where they travel, such as along baseboards, in cracks, crevices, and under furniture. Repeat when necessary.

**FOR CARPET BEETLES:** Spray in areas where they travel, such as along baseboards, in cracks, crevices, and under furniture. Repeat when necessary.

### CAUTION

Keep out of reach of children. Do not use in kitchen. Do not use on food. Do not use on clothing. Do not use on furniture. Do not use on walls. Do not use on ceiling. Do not use on floor. Do not use on carpet. Do not use on rug. Do not use on drapery. Do not use on curtain. Do not use on blind. Do not use on shade. Do not use on lamp. Do not use on fan. Do not use on heater. Do not use on stove. Do not use on sink. Do not use on tub. Do not use on toilet. Do not use on shower. Do not use on bathtub. Do not use on shower pan. Do not use on shower floor. Do not use on shower wall. Do not use on shower door. Do not use on shower curtain. Do not use on shower liner. Do not use on shower mat. Do not use on shower stool. Do not use on shower bench. Do not use on shower seat. Do not use on shower tray. Do not use on shower pan. Do not use on shower floor. Do not use on shower wall. Do not use on shower door. Do not use on shower curtain. Do not use on shower liner. Do not use on shower mat. Do not use on shower stool. Do not use on shower bench. Do not use on shower seat. Do not use on shower tray.
