DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Apply any time of year except when ground is frozen. Best results are obtained late in spring or early summer.

Before treating calibrate equipment to insure uniform coverage. Apply as directed. Use power sprayers, compressed air hand sprayers, knapsack sprayers, or sprinkler can. No agitation or dilution is required. The concentrate may be used as is, without further mixing. Each gallon of DEVOID concentrate may be diluted with up to 10 gallons of diesel oil or fuel oil or water. Use fuel oil where there is no danger of fire. However, where fire is a concern, or where ground is very dry, use water.

TO CONTROL ANNUAL WEEDS AND GRASSES such as foxtail, ryegrass, wild oats, crabgrass, bromegrass, ragweed, lambsquarter, puncturevine and turkey mullein. Apply 1 to 2 gallons of DEVOID concentrate per 1,000 square feet (40 to 80 gallons of DEVOID concentrate per acre).

TO CONTROL PERENNIAL WEEDS AND GRASSES such as smooth brome, Bahiagrass, bluegrass, redtop, purple top, quack grass, broomsedge, aster, dandelion, dog fennel, goldenrod, plantain and wild carrot. Apply 2 to 4 gallons of DEVOID concentrate per 1,000 square feet (80 to 160 gallons of DEVOID concentrate per acre).

TO CONTROL HARD-TO-KILL PERENNIAL WEEDS AND GRASSES such as Johnson grass, Bermuda grass, Dallis grass, nutgrass, Vaseygrass, saltgrass, bouncibel, dogbane, bracken fern and horsetail. Apply 3 to 5 gallons of DEVOID concentrate per 1,000 square feet (120 to 200 gallons of DEVOID concentrate per acre).

Use the higher levels of the dosage ranges on absorptive soils, lower levels in low rainfall areas.

When annual weeds or grasses reappear on treated sites, retreat with as little as 1 gallon of DEVOID concentrate per 1,000 square feet.

**Precautionary Statements
Hazards to Humans (and Domestic Animals)**

CAUTION: Contains petroleum distillates. Harmful if swallowed or absorbed through the skin. Combustible. Causes skin irritation. Do not breathe vapor or spray mist. Do not get in eyes, on skin or on clothing. Wash thoroughly after handling. In case of contact wash skin with soap and water, flush eyes with large amounts of water and call a physician. Remove and wash contaminated clothing before re-use. Do not apply liquid to, or otherwise permit it to come in contact with susceptible plants such as vegetables, flowers, fruit trees, ornamentals, cotton, grapes or other desirable plants and do not permit spray mists containing it to drift onto

ITEM NO. 166

DEVOID® WEED KILLER

To control most weeds for an extended period of time in non-cropland areas. Use on Railroad, Highway and Pipeline right-of-ways, petroleum tank farms, lumberyards, storage areas, drive-in theatres, industrial plant sites, parking lots, fence rows, loading ramps. Degree of control and duration of effect will vary with amount of chemical applied, soil type, rainfall and other conditions. Use without dilution, or mix with oil or with water for uniform coverage.

ACTIVE INGREDIENTS:

Bromacil* (5-bromo-3-sec-butyl-sec-butylacil).....1.50 %

INERT INGREDIENTS:**.....98.50 %

* From Hyvar-X of DuPont Company

** Contains aromatic petroleum distillates

CAUTION: KEEP OUT OF REACH OF CHILDREN.

See side panel for additional precautionary statements.

DO NOT USE, POUR, SPILL OR STORE NEAR HEAT OR OPEN FLAME
D.O.T. Description: Compound, tree or weed-killing, liquid

E.P.A. REGISTRATION NO. 541-194 E.P.A. EST. 541-GA-1

**Formulated for Industrial, Commercial
and Institutional Use ONLY.**

NOT FOR RESALE

them. Vapors from this product may injure susceptible plants in the immediate vicinity. Do not apply to areas underlaid by roots of desirable trees and shrubs. Clean spray equipment thoroughly with a suitable chemical cleaner before using for other purposes (or do not use same spray equipment for other purposes). Do not store near fertilizers, seeds, insecticides or fungicides. Do not contaminate waters used for irrigation or domestic purposes.

Environmental Hazards

This product is toxic to fish and wildlife. Do not apply directly to water or wetlands. Do not apply where runoff is likely to occur. Do not apply when weather conditions favor drift from areas treated. Do not contaminate water by cleaning of equipment, or disposal of wastes.

Follow directions carefully. Timing and method of application, weather, crop conditions, mixtures with other chemicals not specifically recommended, and other influencing factors in the use of this product are beyond control of the seller. Buyer assumes all risks of use, storage or handling of this material not in strict accordance with directions given herewith.

STORAGE AND DISPOSAL

DO NOT CONTAMINATE WATER, FOOD, OR FEED BY STORAGE AND DISPOSAL.

STORAGE—Store in a dry place no lower in temperature than 50°F or higher than 120°F.

CONTAINER DISPOSAL—Do not reuse empty container. Triple rinse empty container with water. Return metal drum then offer for reconditioning or puncture and dispose of in a sanitary landfill, or by other procedures approved by State and local authorities. Plastic containers may be disposed of in a sanitary landfill, incinerated or, if allowed by local authorities, by burning. If burned, stay out of smoke.

PESTICIDE DISPOSAL—Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.
