

LUCIDE M-46

NET CONTENTS

GALLON

CAUTION: KEEP OUT OF REACH
OF CHILDREN

DIRECTIONS FOR USE

CAUTION: This concentrate if brought into contact with the skin can cause toxic symptoms. Avoid skin contact and irritation. In case of spillage on the skin, wash with copious water. Avoid contamination of feed and foodstuffs and containers used for animal feed. Keep out of reach of children. Store in a cool dark place.

THIS PRODUCT IS TOXIC TO FISH AND WILDLIFE.

When empty, and containers are to be disposed of, bury in non-crop lands, away from water supply. Containers should be disposed of by punching holes in them and mixing with wastes, or by burning. Keep out of incinerator.
