++ Equivalent to 0.4% (butyl carbityl) (6-propyl piperonyl) ether and 0.1% of related compounds.	
TOTAL	100.0%

DIRECTIONS FOR USE

PREPARATION OF BUILDING:

Remove birds, pets and fish bowls from area to be treated. Remove occupants from room while applying mist spray. Cover exposed fruits, vegetables, foods and food handling equipment to prevent contamination. Open cabinets and other enclosures to allow mist spray to penetrate all areas. Shut off all fans and air conditioners. Close all outside windows and doors. Extinguish all open flames, including pilot lights.

APPLICATION OF SPRAY:

With mist applicator, direct spray behind refrigerators, cabinets, and other fixtures where pests hide. Then place spray applicators to give complete dispersion of mist spray throughout the room. Apply spray at the rate of one gallon per 50,000 cubic feet of room volume. **APPLICATOR SHOULD WEAR A DUST MASK OR OTHER SUITABLE EQUIPMENT TO PREVENT INHALATION OF SPRAY PARTICLES.** Leave room undisturbed for at least 2 hours after application has been completed.

CAUTION

HARMFUL IF SWALLOWED

Avoid prolonged or repeated skin contact. Avoid prolonged inhalation of spray mists. Avoid contamination of food handling equipment, food, foodstuffs, and water supplies. Wash thoroughly after handling.

KEEP OUT OF REACH OF CHILDREN

Note To Physician:

Ronnel is a cholinesterase inhibitor. Atropine is an antidote. Treat symptomatically.

NOTICE: Seller warrants that the product conforms to its chemical description and is reasonably fit for the purpose stated on the label when used in accordance with directions under normal conditions of use, but neither this warranty nor any other warranty of **MERCHANTABILITY** or **FITNESS FOR A PARTICULAR PURPOSE**, express or implied, extends to the use of this product contrary to label instructions, or under abnormal conditions, or under conditions not reasonably foreseeable to seller, and buyer assumes the risk of any such use.
