DIRECTIONS FOR USE

Apply without dilution as a strip treatment to cracks, crevices and other roach harborages and to ant runways. Use coarse wet spray and apply until the surface is wet to the point of run-off (approximately 1 gallon per 1000 square feet).

Re-apply only when reinfestation is noted. Do not use for space spray or for residual treatment covering extensive indoor surfaces as entire bulkheads and overheads.

CAUTION

Harmful if swallowed. Keep out of reach of children. Avoid contamination of feed and foodstuffs. Avoid inhalation and skin contacts; wash thoroughly after using. Do not use on household pets or humans.

Do not let pets or children contact treated surfaces until dry.

This product is toxic to fish and wildlife. Do not contaminate water by cleaning of equipment, or disposal of wastes.

Do not apply as space spray. Do not use in edible products areas of food processing plants, restaurants or other areas where food is commercially prepared or processed.

Do not use in serving areas while food is exposed.

NOTICE: Buyer assumes all risks of use, storage or handling of this material not in strict accordance with directions given herewith.

Container Disposal: Do not reuse empty drum. Return to drum reconditioner or destroy by perforating or crushing and burying in a safe place.
