WOOD PRESERVATIVE SOLUTION

ACTIVE INGREDIENTS:

1. Copper Naphthenate* 2.50

* Contains 10% metallic copper

INERT INGREDIENTS

75.00

Total

77.50

CAUTION

KEEP OUT OF REACH OF CHILDREN

(see other precautions below)

Prolongs the life of all wood by protecting against rot and decay, termite damage, warping and swelling. Greatly reduces the probability of paint peeling.

Contains a powerful sprayer fumigant, insecticide and water repellents for three-way protection. Its extra strength is important for wood used in contact with soil, water and concrete.

Apply liberally to fence posts, poles, foundation sills, docks, boats and all wood exposed to moisture or weather. Fence posts, poles, foundation timbers and heavy wooden members should be free of bark, dry and well-seasoned and immersed in the product for a period of 12 to 48 hours to be an effective wood preserver.

**DO NOT USE, POUR, FILL, OR STORE NEAR HEAT
OR OPEN FLAME.**

DIRECTIONS:

Apply by brush, spray or dip to clean bare wood. Use one coat under finishes. When no finishes to be used, two generous coats applied within 1 hour, or a 3 minute dip is recommended. Treat cut ends. The more preservative absorbed by the wood, the longer and more effective the protection. Dries to the touch rapidly. Clean from surface with mineral spirits and let dry approximately 24 hours before applying dark paint or finish. Clean from hands, brushes, etc., with mineral spirits or turpentine.

COVERAGE: 1 lb. per gallon average, depending on wood porosity and surface condition.

CAUTION:

Contains a powerful fumigant. Harmful if swallowed. If swallowed, do not induce vomiting, call physician immediately. Avoid breathing vapor or spray mist. Avoid contact with skin or eyes. Wash with soap and water after handling.

Keep out of reach of Children. Do not contaminate water by cleaning of equipment or disposal of wastes. Do not reuse empty container. Destroy it by perforating or crushing. Bury or discard in a safe place.

This product is toxic to fish. Keep out of lakes, streams, or ponds. Do not contaminate water by cleaning of equipment or disposal of wastes. Apply this product only as specified on this label.
