

Precautionary Statements

HAZARDS TO HUMANS

CAUTION

Harmful if swallowed, inhaled, or absorbed through skin. Do not apply to humans. Avoid inhalation of mist and contact with skin. Wash thoroughly with soap and water after handling and before eating or smoking. Remove and launder contaminated clothing. Do not contaminate feed, food or drinking water.

Physical or Chemical Hazards

Do not use, store, spill or pour near heat or open flame.

Environmental Hazards

This product is toxic to fish, birds and other wildlife. Do not apply directly to lakes, streams or ponds. Do not contaminate water by cleaning of equipment or disposal of wastes.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling

For Face Flies: To protect animals from Face Flies, spray animal's head covering forehead, poll, muzzle and sides of face thoroughly with spray mist but do not apply more than 1 ounce to entire animal at any one spraying.

For Stable Flies, House Flies:

For Use in Electric Foggers and Stationary Sprayers. BAIRD'S CIODRIN-VAPONA is recommended for use in stationary sprayers or electric foggers. Fog 1 to 2 ounces per 1,000 cubic feet. In stationary sprayers apply 1 to 2 ounces per animal before milking as animals pass through. Do not apply in areas where animals have received direct application of vapona or ciodrin within 8 hours.

BACK RUBBERS: For the control of horn flies and face flies on lactating dairy and beef animals use BAIRD'S CIODRIN-VAPONA in back rubbers and face rubbers. Use 1 gallon for each 20 linear feet of burlap back rubber. For automatic back rubbers recharge the reservoir as needed. Animals must rub face on rubbers for best face fly control.

NET CONTENTS

Baird's Ciodrin-Vapona FLY SPRAY

*Kills Face Flies, Horn Flies, Stable Flies,
House Flies on Dairy and Beef Cattle*

TOTAL	100.00%

*CIODRIN Insecticide
**Equivalent to 0.25% VAPONA Insecticide ©Registered Trade Mark Shell Chemical Co

KEEP OUT OF REACH OF CHILDREN.

CAUTION

SEE SIDE PANEL FOR COMPLETE CAUTION STATEMENT.

Statement of Practical Treatment

If swallowed — Call a physician or Poison Control Center immediately. Gastric lavage is indicated if material was taken internally. DO NOT INDUCE VOMITING. Vomiting may cause aspiration pneumonia.

If inhaled — Remove victim to fresh air. Apply artificial respiration if indicated.

If on skin — Remove contaminated clothing and wash affected areas with soap and water.

If in eyes — Flush eyes with plenty of water. Get medical attention if irritation persists.

For Agriculture Use Only

Spray BAIRD'S CIODRIN-VAPONA daily before milking. Spray as a fine mist starting from the front of the animal and thoroughly cover all parts of the animal including the legs. Apply 2 ounces per animal per day but do not spray in excess of 2 fluid ounces per day.

An acceptable spraying schedule is 2 ounces per animal before the morning milking or 1 ounce per animal before each milking. For best pasture protection a morning spraying is the most important spray.

Do not wet the skin due to possible skin irritation. Do not apply regularly to calves under 6 months of age. Brahman, or Brahman cross cattle should not be treated as they may show hypersensitivity to organic phosphates.

BAIRD'S CIODRIN-VAPONA is a ready-to-use insecticide for use in conventional hand, power, or automatic spray equipment. Use as directed on Beef Cattle and Lactating Dairy Cattle.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

PESTICIDE DISPOSAL (all except household) Pesticide, spray mixture or rinsate that cannot be used according to label instructions must be disposed of according to Federal, State or local procedures under the Resource Conservation and Recovery Act.

Metal (all sizes) Triple rinse (or equivalent) and offer for recycling or reconditioning, or dispose of in a sanitary landfill, or by other approved State and local procedures.

WARRANTY: Seller makes no warranty, expressed or implied, concerning the use of this product other than indicated on the label. Buyer assumes all risk of use and/or handling of this material when such use and/or handling is contrary to label instructions.
