PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND

DOMESTIC ANIMALS

WARNING

May be fatal if swallowed. May be absorbed through skin. Do not breathe dust. Do not get in eyes, on skin, or on clothing. Causes eye and skin irritation. Wash hands, arms and face thoroughly with soap after handling and before eating or smoking. Routinely shower or bathe after working and wash all clothing with soap and hot water before reusing. Avoid contamination of feed and foodstuffs.

Applicators who apply this product manually or without the use of a closed system treatment procedure must wear the following protective clothing during the application process: long-sleeved shirt; long pants; gloves; and wear a pesticide respirator jointly approved by MSHA (Mine Safety and Health Administration) and by NIOSH (National Institute for Occupational Safety and Health) under the provisions of 30 CFR Part 11 for Lindane/Maneb protection.

Treat outdoors or in a well ventilated place only.

STATEMENT OF PRACTICAL TREATMENT

IF SWALLOWED, call a physician or Poison Control Center immediately. Drink one or two glasses of water and induce vomiting by touching the back of the throat with finger. Repeat until vomit fluid is clear. Do not induce vomiting or give anything by mouth to an unconscious person.

IF INHALED, remove victim to fresh air. Apply artificial respiration if indicated.

IF ON SKIN, remove contaminated clothing and wash affected areas with soap and water.

IF IN EYES, flush eyes with plenty of water. Call a physician immediately.

ENVIRONMENTAL HAZARDS

This product is toxic to fish, birds, and other wildlife. Exposed treated seeds may be hazardous to birds and other wildlife. Dispose of all excess treated seeds by burial away from bodies of water. Do not apply directly to water. Do not contaminate any body of water by cleaning of equipment, disposal of waste and container. Apply this product only as specified on this label.

DIRECTIONS FOR USE:

It is a violation of State and Federal Law to use this product in a manner inconsistent with its labeling. Read all directions before using and use only as specified on this label.

STORAGE AND DISPOSAL

1. **PROHIBITIONS:** Do not contaminate water, food or feed by storage or disposal. Open dumping is prohibited. Do not reuse empty container.
2. **PESTICIDE DISPOSAL:** Pesticide wastes are toxic. Improper disposal of excess pesticide spray mixture, or rinsate is a violation of Federal law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional office for guidance.
3. **CONTAINER DISPOSAL:** Dispose in an incinerator or landfill approved for pesticide containers.

DIRECTIONS FOR USE

AGSCO DB-GREEN^R SEED TREATMENT is a dust base product especially formulated for seed treatment at planting time. This product is formulated to help lubricate the planter box and assure a smooth, even flow to the furrow. It is formulated for use in the treatment of seeds for protection against wire-worms, seed corn maggots, and certain other soil-borne insects as well as providing protection against stinking smut (bunt) of wheat, oat smuts, covered and false loose smuts of barley, and seed decay. Apply as a drill-box treatment mixing thoroughly with the seed before planting. For best results, the following procedure is suggested.

1. Use an AGSCO Automatic Seed Treater that meters in the proper amount of DB GREEN and uniformly mixes it, as clean untreated seed is augered from the grain box into the planter or drill-box as uniformly treated seed.
2. Fill the drill-box only half full of seed; add half the required amount of product and mix thoroughly with a stick. Then add the remainder of seed to the drill-box and add the rest of the required amount of product to the seed, again mixing thoroughly. DO NOT MIX WITH HANDS.

Good results are also obtained by premixing seed with the product in a suitable container, then pouring treated seed into the planter box.

DIRECTIONS:

Type of Seed

BEST AVAILABLE COPY

Ounces per Bushel

WHEAT, BARLEY, OATS, RYE	2	Oz.
CORN, SOYBEANS, SUNFLOWERS	2 3/4	Oz.
FLAX	4	Oz.

IF SOIL TEMPERATURE IS EXTREMELY HIGH (hot weather, midsummer planting or other reasons) reduce recommended dosage by one-third.

USE RESTRICTIONS

Treated seed must not be used for or mixed with food or animal feed or processed for oil. Treat only those seeds needed for immediate use, minimizing the interval between treatment and planting. Do not store excess treated seeds beyond planting time. Do not graze or feed livestock on treated areas for six weeks after planting. Care must be exercised in the handling of treated seed.

Read entire label. Use strictly in accordance with precautionary statements and directions, and with applicable state and federal regulations.
