# VIGORO<sup>®</sup> TOMATO DUST

## DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

Best results are secured by dusting at regular intervals throughout the growing season. For disease control, begin applications before diseases occur or appear and repeat at 7 - 10 day intervals as needed. More frequent applications may be necessary in rainy wet weather. Apply preferably in early morning or late evening when the air is quiet, and cover all exposed parts of the plant with a thin, even film of dust using a garden type duster. Vigoro's Tomato Dust is to be used without dilution.

Subsequent planting of food and feed crops in treated soil must be made with crops on this or other carbaryl labels.) Crops, Insects and Diseases

## PRECAUTIONARY STATEMENTS

### HAZARDS TO HUMANS AND DOMESTIC ANIMALS.

**CAUTION:** Harmful if inhaled or swallowed. May cause irritation of nose and throat. May be absorbed through skin and throat. Do not take internally. Do not breathe dust. Skin contact with any insecticide may be harmful. Avoid unnecessary contact. Wash hands before eating. Wash thoroughly after using. Avoid contamination of food. Keep out of reach of children. Wear regular long sleeved work clothing. Change to clean clothing daily.

### ENVIRONMENTAL HAZARDS

**PRECAUTIONS:** This product is highly toxic to bees exposed to direct treatment or residues on blooming crops or weeds. Do not apply this product or allow it to drift to blooming crops or weeds if bees are visiting the treatment area.

### STATEMENT OF PRACTICAL TREATMENT:

**IF SWALLOWED:** induce vomiting and seek medical attention immediately.

**IF IN EYES OR ON SKIN:** flush eyes thoroughly with water, wash skin thoroughly with soap and water.

**NOTE TO PHYSICIAN:** Carbaryl is a moderate reversible cholinesterase inhibitor. Atropine is antidotal.

### STORAGE AND DISPOSAL

**Storage:** Store in original container in safe dry place. Do not contaminate other pesticides, fertilizer, seeds, food or feed.

**Product Disposal:** Securely wrap original container in several layers of news paper and discard in trash. Container Disposal: Do not reuse. Discard in trash.
