LAWN AND TURF AREAS - WINN-DIXIE MILLER

Water lawn thoroughly prior to applying this material. Immediately after spreading, brush the lawn or sprinkle thoroughly so the film penetrates through the soil to reach the roots. Repeat as necessary if conditions favor water.

Golden Voro Lawn Food Plus Green Up 2-1-1 is specially formulated to feed your grass to its peak. The ingredients contained in this product are specially selected for their long-lasting as well as fast-acting qualities. These ingredients are combined under a patented process in Voro's exclusive, ensuring the release of nutrients slowly, at an even rate, all season long.

SPREADING RATE varies with walking speed, lawn type and the type, model and condition of the spreader. Check your spreader by trial over a known area. Apply at the rate of 2 lbs. per 1,000 square feet.

SUGGESTED SPREADER SETTINGS

SPREADER	SETTING
Scrub Spreader	2
5" x 16"	2
6" x 20"	12
8" x 28"	4
10" x 36"	4

HOW TO GET THE MOST OUT OF GOLDEN V. VORO

1. Water lawn thoroughly prior to application.
2. Apply material immediately after spreading.
3. Brush lawn or sprinkle thoroughly so the film penetrates through the soil to reach the roots.
4. Repeat as necessary if conditions favor water.

This product is toxic to fish and wildlife. Keep out of streams, rivers, or ponds. Do not feed to animals. Store in a cool, dry place. Do not breathe dust. Avoid contact with eyes. Wash hands thoroughly after use.
