### PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS & DOMESTIC ANIMALS

#### CAUTION

Handle if powdered, inhaled, or absorbed through skin. Avoid breathing dust or spray mist. Avoid contact with skin, eyes, or clothing. Wash thoroughly after handling. Remove and wash contaminated clothing before reuse. Do not allow children or pets on treated areas until this material has been worked into the soil and thoroughly incorporated. Avoid consumption of food or livestock.

#### ENVIRONMENTAL HAZARD

Keep out of lakes, streams or ponds. Do not apply where conditions favor drift from target area. Do not use on lawns or turf areas such as lawns, tennis courts, playgrounds and lawns. Do not use on grass lawns - for dicamba lawns only. Do not apply within 100 feet of water.

#### DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Apply when dicamba is safe to use. To most effectively suppress weeds and keep soil beds moist, broadcast or use granular application methods. TO CONTROL WEEDS EARLY: Apply in early spring before weeds germinate. Broadcast or use granular application methods. Apply after soil has been worked into the soil. May be applied regularly with no-till or minimum tillage systems. Frequent use limits annual weeds. TO CONTROL BERMUDA GRASS: Apply in early spring when bermuda starts to grow. Apply in late spring when bermuda starts to flower. Apply in late summer when bermuda starts to seed. Apply in late fall when bermuda starts to die back. Apply in early spring when bermuda starts to grow. Apply in late spring when bermuda starts to flower. Apply in late summer when bermuda starts to seed. Apply in late fall when bermuda starts to die back.

#### SPREADER SETTING

SPREADER	SETTING	SPREADER	SETTING
