INERT INGREDIENTS	99.925%
E.P.A. Reg No 557-1858	Total 100.000%

EASY TO USE

For a beautiful lawn all year, pelleted Vigoro For Texas Turf Plus Insecticide should be applied any time insects first appear or become a problem.

Apply at the rate of 3 lbs per 100 sq ft using any hand or gravity type spreader designated for application of granular material. Apply uniformly to turf area and water turf heavily after application to wash the granules into the zone of insect infestation. Do not mow for 24 hours after application.

CAUTION

Keep out of reach of children. May be harmful if swallowed. Do not take internally. Avoid eye contact. Flush contaminated eyes with plenty of water and get medical attention if irritation persists. Wash all contaminated clothing with soap and hot water before reuse. Wash thoroughly after handling. Keep away from food, feedstuffs and domestic water supplies.

Keep children and pets off treated areas until this material is washed into the soil and grass is dry.

This product is toxic to fish, birds, and other wildlife. Keep out of any body of water. Do not contaminate water by cleaning of equipment or disposal of wastes. Do not apply where runoff is likely to occur. Do not apply when weather conditions favor drift from areas treated. Dispose of empty container and wastes by burning or by burying in non-croplands away from domestic water supplies.

NOTE TO PHYSICIAN: Active ingredient is a cholinesterase inhibitor. Treat symptomatically. Atropine is antidote.
