Subject: Revised Labeling
Rockland Penn-P-Pine Disinfectant
EPA Registration Number 572-5
Application Dated April 18, 2002

Dear Ms. Lemm:

The following amendment, submitted in connection with registration under section of the Federal Insecticide, Fungicide, and Rodenticide Act(FIFRA), as amended, is accepted with comments.

Proposed Amendment:

- revised first aid statement Per PR Notice 2001-1
- revised disposal statement Per PR Notice 2001-6

General Comments:

- 1) Delete the "Keep Out of Reach of Children statement" from the precautionary statement section.
- 2) Add the word "Pesticide" before the subheading "Storage" in the Storage & Disposal paragraph.
- 3) The Precaution Statements must be revised as follows:

PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS

DANGER

Corrosive. Causes severe eye damage or skin burns. Harmful if swallowed or absorbed through skin or inhaled. Do not get in eyes, on skin, or on clothing. Avoid breathing spray mist. Wear goggles or face shield (safety glasses). Wear protective clothing and

rubber gloves. Wash thoroughly with soap and water after handling. Remove

Net Contents: One Quart, One Gallon, Five Gallon, 30 Gallon

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS: DANGER.: KEEP OUT OF REACH OF CHILDREN: CORROSIVE:. Causes severe eye and skin damage. Do not get in eyes, on skin, or on clothing. Harmful if swallowed. Avoid contamination of food. Remove and wash contaminated clothing. Wear goggles or face shield and rubber gloves when handling.

FIRST AID	
Have the product container or label with you when calling a poison control center or doctor, or going for treatment	
If in Eyes:	-Hold eye open and rinse slowly and gently with water for 15-20 minutes. -Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. -Call a poison control center or doctor for treatment advice.
If Swallowed:	-Call poison control center or doctor immediately for treatment advice. -Have person sip a glass of water if able to swallow. -Do not induce vomiting unless told to do so by the poison control center or doctor. -Do not give anything by mouth to an unconscious person.
If on Skin or Clothing:	-Take off contaminated clothing. -Rinse skin immediately with plenty of water for 15-20 minutes. -Call a poison control center or doctor for treatment advice.
If inhaled:	-Move person to fresh air. -If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. -Call a poison control center or doctor for further treatment advice.
NOTE TO PHYSICIAN: Probable mucosal damage may contraindicate the use of gastric lavage. Measures	

against circulatory shock, respiratory depression and convulsion may be needed.
For information regarding medical emergencies or pesticide incidents, call the International Poison Center at 1-888-740-8712.

ENVIRONMENTAL HAZARDS:-For Product packaged in 5 gal. container or larger, do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.

DISINFECTANT-DEODORANT-GERMICIDE-CLEANER

A powerful, pleasant disinfectant, germicide and deodorant. This product is especially recommended for use in stables, barns and outbuildings, apartment buildings, households, schools, office buildings, industrial plants, for disinfecting floors, walls, sinks, bathrooms, toilets, urinals, and outhouses. Can be used as a deodorant which is noticeable from 1 to 3 hours after use.

It is instantly soluble in water, forming a milky white emulsion which does not separate on standing. When mixed with water in recommended dilution does not stain the walls, floors, or clothes, and leaves a pleasant and fragrant odor of pine.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

FOR DISINFECTING PREMISES: Remove gross filth from surfaces prior to disinfecting. Prepare a solution of 3 1/2 Tablespoons of disinfectant to one gallon of water. Wet surface thoroughly with the disinfecting solution and allow to remain for 10 minutes.

FLOORS: When mopping or scrubbing, use 3 1/2 Tablespoons of disinfectant in each gallon of water in bucket.

TOILET ROOMS, COMMODES, and URINALS: Wash the commode and urinal bowl regularly with a solution of 3 1/2 Tablespoons of disinfectant in each gallon of water, leaving the solution in the commode and urinal as long as possible. Scrub the floor and seat frequently with this solution. Remove residual bowl water from toilet before application of disinfectant.

GARBAGE RECEPTACLES: To aid in deodorization, sprinkle with a solution in the proportion of 4 Tablespoons of disinfectant to a gallon of water. Rinse the empty can with some of the solution and leave the wash in the can.

TYPHOID SICKROOM: In the disinfecting of bed frames, floors, walls, bed pans, clothing, bed clothes, utensils, use 6 Tablespoons per gallon. Soak clothing and bed clothes in recommended use dilution before laundering. For utensils and bed pans follow with a rinse of potable water.

STORAGE AND DISPOSAL

Do Not Contaminate Water, Food or Feed by Storage or Disposal.

STORAGE: Store in a dry place between 60 F and 120 F.

PESTICIDE DISPOSAL: Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture or rinsate is a violation of Federal Law. If these wastes cannot be disposed of according to label instructions, contact your State Pesticide or Environmental Control Agency or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

CONTAINER DISPOSAL: If Empty: Do not reuse this container. Place in trash or offer for recycling if available. If Partly Filled: Call your local solid waste agency or 1-800-CLEANUP for disposal instructions. Never place unused product down any indoor or outdoor drain.

WARRANTY: Seller makes no warranty, expressed or implied, concerning the use of this product other than indicated on the label. Buyer assumes all risk of use and/or handling of this material when such use and/or handling is contrary to label instructions.
