SIDE PANEL:

CAUTION-----COMBUSTIBLE MIXTURE

Do not spray near or toward open flame. Harmful if swallowed. Keep  
out of reach of children.

XX  
"PENN-MIST", when used according to directions, is non-toxic to humans and  
other warm-blooded animals. It will not stain clothing, drapes, upholstery,  
etc. when atomized at a distance not less than four feet from these objects.  
Use caution not to wet fabric with liquid.

When sprayed properly, "PENN-MIST" will not contaminate cooking utensils,  
food, food products or tableware. To avoid settling of base oil droplets,  
remove or cover food or utensils. Do not spray directly on food or foodstuffs.

## DIRECTIONS FOR USE

TO KILL FLIES, MOSQUITOES, GNATS: Close windows and other openings. Spray or fog premises thoroughly using approximately 2 ounces per 1,000 cubic feet. Keep area closed for at least 10 minutes after spraying. Sweep up and remove dead insects. Repeat fogging as often as necessary.

TO KILL ROACHES, WATER BUGS, SILVERFISH: Spray liberally around pantry storage shelves, cabinets, sinks, refrigerators, paying particular attention to cracks and crevices or wherever roaches are likely to hide. Spray once each day for 10 days; then spray as required.

TO KILL BEDBUGS: Spray entire room thoroughly creating a heavy fog or mist. Spray mattresses with particular emphasis on tufts and seams. Spray all parts of bedstead and cracks and crevices in an around baseboards, loose wall paper, wherever bedbugs are likely to hide. Repeat as required.

AID

TO KILL FLYING MOTHS and ~~XXX~~ IN MOTH CONTROL: Spray rooms, closets, other open areas where clothes are kept. Fill room with heavy mist or fog. Spray closets thoroughly and directly on clothing, taking care not to wet clothing. Give special attention to lapels, open cuffs, seams, etc. where moths are likely to be found. After thorough spraying, keep rooms, closets, etc. closed for 30 minutes. Repeat at least every 30 days. For storing treated clothes in sealed ~~xxxxxx~~ containers, mothproof bags, trunks, etc., spray containers thoroughly without wetting. Seal.

TO KILL EXPOSED STAGES OF CEREAL INSECTS: Clean flour and grain bins and chutes. Spray thoroughly with special emphasis to forcing spray into cracks and ~~xxx~~ crevices of ~~xxx~~ ceiling, walls and floor in order to penetrate hiding places of insects. Repeat as often as required.

TO CONTROL CARPET BEETLE: Spray rug thoroughly, underside as well as topside. Do not wet. Spray around baseboards and floors. Repeat as required.

FOR CHEESE MITES and CHOCOLATE MOTHS: Spray rooms thoroughly before storing, forcing spray into cracks and ~~xxx~~ crevices in floor and walls. Cover exposed foods. Keep doors closed for 20 minutes. Repeat as required.

WARRANTY: Seller makes no warranty, expressed or implied, concerning the use of this product other than indicated on the label. Buyer assumes all risk of use and/or handling of this material when such use and/or handling is contrary to label instructions.
