ROCKLAND CORPORATION
P.O. Box 809
West Caldwell, NJ 07007-0809

Dear Ms. Lemm:

Subject: Response to PR Notice 2001-3
EPA Registration No. 572-98
Product Name: Rockland Penn-Mist Insecticide
Application Date: July 31, 2002

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, is acceptable subject to the comment listed below. Three (3) copies of the finished labeling must be submitted.

1) For the purpose of clarity and consistency with other labels, in accordance with P.R. Notice 2001-6, revise the **Disposal Statement** to read:

Do not Puncture or Incinerate!

If empty: Place in trash or offer for recycling if available.

If partly filled: Call your local solid waste agency or **1-800-CLEANUP** which is managed as a public-private partnership. Refer to PR Notice 2001-6 for more detailed instructions.

2) Enclosed is a copy of your label stamped "Accepted with Comments". Submit three(3) copies of the final printed labeling before you release the product for shipment.

Pg 2 EPA Reg. No. 572-98

3) To expedite handling, please return a copy of this letter with your finished labeling. If you have any questions regarding this letter, please contact Ms. Pat Quarles, at (703) 305-6876.

Sincerely,

Joseph Tavano
Acting Product Manager 10
Insecticide Branch
Registration Division 7505

FIRST AID	
Have the product container or label with you when calling a poison control center or doctor, or going for treatment	
If in Eyes:	-Hold eye open and rinse slowly and gently with water for 15-20 minutes. -Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. -Call a poison control center or doctor for treatment advice.
If Swallowed:	-Call poison control center or doctor immediately for treatment advice. -Do not induce vomiting unless told to do so by the poison control center or doctor. -Do not give any liquid to the person. -Do not give anything by mouth to an unconscious person.
If on Skin or Clothing:	-Take off contaminated clothing. -Rinse skin immediately with plenty of water for 15-20 minutes. -Call a poison control center or doctor for treatment advice.
If inhaled:	-Move person to fresh air. -If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible.

-Call a poison control center or doctor for further treatment advice.
For information regarding medical emergencies or pesticide incidents, call the International Poison Center at 1-888-740-8712.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS: CAUTION: Harmful if swallowed. Keep out of reach of children. Do not remain in any enclosed treated areas. Ventilate the area after treatment is completed.

ENVIRONMENTAL HAZARDS: Remove birds, pets and fish bowls before spraying room. When using 5 gallon container or larger, do not discharge effluent containing this active ingredient into lakes, streams, ponds, estuaries, oceans, or public waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge.. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA..

CHEMICAL HAZARD: DO NOT USE, POUR, SPILL OR STORE NEAR HEAT OR OPEN FLAME.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

TO KILL FLIES, MOSQUITOES, GNATS: Close windows and other openings. Spray or fog premises thoroughly using approximately 2 ounces per 1,000 cubic feet. Keep area closed for at least 10 minutes after spraying. Sweep up and remove dead insects. Repeat fogging as often as necessary.

TO KILL ROACHES, WATER BUGS, SILVERFISH: Spray liberally around pantry storage shelves, cabinets, sinks, refrigerators, paying particular attention to cracks and crevices or wherever roaches are likely to hide. Spray once each day for 10 days; then spray as required.

TO KILL BEDBUGS: Spray entire room thoroughly creating a heavy fog or mist. Spray mattresses with particular emphasis on tufts and seams. Spray all parts of bedstead, cracks and crevices in and around baseboards, loose wallpaper, wherever bedbugs are likely to hide. Repeat as required.

TO KILL FLYING MOTHS AND AID IN MOTH CONTROL: Spray rooms, closets, other open areas where clothes are kept. Fill room with heavy mist or fog. Spray closets thoroughly directly on clothing, with care not to wet clothing. Give special attention to lapels, open cuffs, seam, etc., where moths are likely to be found. After thorough spraying, keep rooms, closets, etc., closed for 30 minutes. Repeat at least every 30 days. For storing treated clothes in sealed containers, mothproof bags, trunks, etc., spray containers thoroughly without wetting. Seal.

TO KILL EXPOSED STAGES OF CEREAL INSECTS: Caddisflies, Cigarette Beetles, Dermestids, Drugstore Beetles, Indian Meal Moths, Mediterranean Flour Moths, Red Flour Beetles, Saw-toothed Grain Beetles and Weevils. Clean flour and grain bins and chutes. Spray thoroughly with special emphasis to forcing spray into cracks and checks of ceiling, walls and floor in order to penetrate hiding places of insects. Repeat as often as required.

TO CONTROL CARPET BEETLE: Spray rug thoroughly, underside as well as top side. Do not wet. Spray around baseboards and floors. Repeat as required.

FOR CHEESE MITES AND CHOCOLATE MOTHS: Spray rooms thoroughly before storing forcing spray into cracks and crevices in floors and walls. Cover exposed foods. Keep doors closed for 20 minutes. Repeat as required.

IN FOOD PROCESSING PLANTS: Foods should be removed or covered during treatment. All food processing surfaces should be covered during treatment or thoroughly cleaned before using. When using the product in these areas, apply only when plant is not in operation.

STORAGE AND DISPOSAL

STORAGE: Store unused material, in original container only, in a locked, dry storage area out of reach of children and animals. Do not contaminate water, food or feed by storage or disposal. Do not store or use near heat or open flame.

PESTICIDE DISPOSAL: ONE GALLON - Do not reuse empty container. Securely wrap in several layers of newspaper and discard in trash. Rinse thoroughly before discarding in trash. **FIVE GALLONS & LARGER -** Triple rinse (or equivalent). Then offer for recycling or reconditioning, or, puncture and dispose of in a sanitary landfill or by other procedures approved by state and local authorities.

WARRANTY: Seller makes no warranty, expressed or implied concerning the use of this product other than indicated on the label. Buyer assumes all risk of use and/or handling of this material when such use and/or handling is contrary to label instructions.
