NET CONTENTS:

USE DIRECTIONS

Apply **ROCKLAND HOG LICE INSECTICIDE GRANULES** evenly over the bedding for swine at the rate of 1/2 lb. per 100 square feet of area. The granules may be applied with a scoop or a can. No mixing with the bedding is necessary. One treatment will control the hog lice infestation when the animals use the bedding regularly.

CAUTION

Harmful if swallowed. Avoid breathing of dust. Avoid contact with skin. Wash thoroughly after handling. Do not contaminate or store near feed or foodstuffs.

Replace the treated bedding with clean, untreated bedding or otherwise exclude the swine from the treated bedding two weeks prior to slaughter.

Do not reuse empty container. Destroy it by perforating or crushing. Bury or discard in a safe place away from water supplies.

This product is toxic to fish. Keep out of lakes, streams or ponds. Do not apply where runoff is likely to occur. Do not contaminate water by cleaning of equipment or disposal of wastes. Apply this product only as specified on this label.

LIVESTOCK REMEDY — NOT FOR HUMAN USE

KEEP OUT OF REACH OF CHILDREN

WARRANTY: Seller makes no warranty, expressed or implied, concerning the use of this product other than indicated on the label. Buyer assumes all risk of use and/or handling of this material when such use and/or handling is contrary to label instructions.
