# NON-SELECTIVE WEED & GRASS KILLER

## DIRECTIONS FOR USE

Mix 1 gallon of WEED & GRASS KILLER to 32 gallons of water. Uniformly spray 1 gallon of mixture per 100 sq. ft. of soil surface. Apply with sprayer or sprinkling can. Thoroughly wet all foliage to insure contact action. Best results are obtained when applications are made during or soon after weed emergence while growth is succulent.

Although WEED & GRASS KILLER will burn plant foliage, much of its activity is through the roots and therefore adequate rainfall to move the chemical into the roots zone is necessary.

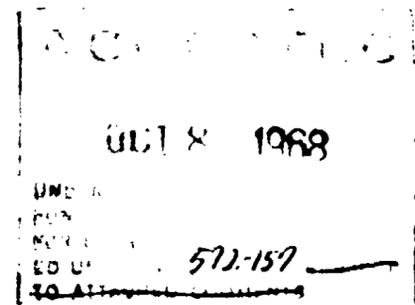

Where vegetation is more than 6 inches high, mow, cut or scalp before applying herbicide. Under conditions where the rainfall is high and the growing season long, a second application may be necessary to maintain a weed-free soil surface.

Care must be taken to keep this herbicide away from desirable flower beds, lawns and shrubs. Do not apply over roots of valuable trees, or woody ornamental plants. Only apply herbicide outside of the drip line of trees.

Manufactured For

Cleveland, Ohio 44107

FOR NON-SELECTIVE WEED CONTROL WHERE A WEED AND GRASS-FREE SURFACE IS DESIRED such as Driveways, Patios, Fence Rows or Industrial Sites.  
CAUTION: Keep out of reach of children. Avoid contact with skin, eyes or clothing. In case of skin contact, wash thoroughly with soap and water. Avoid breathing spray mist. Avoid contamination of feed and foodstuffs. Avoid contamination of waters used for domestic or irrigation purposes. Do not store near fertilizers, seeds, insecticides, fungicides, heat or open flame. Avoid spray drift to susceptible plants as this product may injure cotton, beans, peas, grapes ornamentals, etc. (Coarse sprays are less likely to drift). Do not reuse container. Destroy when empty. Vapors from this product may injure susceptible plants in the immediate vicinity.  
WARRANTY: Seller makes no warranty, expressed or implied, concerning the use of this product other than indicated on the label. Buyer assumes all risk of use and/or handling of this material when such use and/or handling is contrary to label instructions.

*Do not use in garden, spray or use in a suitable chemical cleaner before using for other purposes.*
