| Dandelion | Oxalis | Wild Garlic |
| Docks | Pennywort | Wild Lettuce |
| Frenchweed | Peppergrass | Wild Onion |
| Galinsoga | Pigweed | Wild Radish |
| | | Yarrow |

DIRECTIONS

Apply ROCKLAND TRIPLE "D" LAWN WEED KILLER at any time weeds are growing actively - Spring, Summer or Fall. Apply as it comes right from the bag, do not mix with other materials. Measure off area to be treated. For the more difficult-to-kill weeds a repeat application may have to be made about 3 weeks after initial treatment.

For best results mow lawn before applying and apply when grass is moist (from morning or evening dew). Set spreader to proper setting and apply.

SUGGESTED SPREADER SETTINGS

PATCO.....	6 1/2	LAWN REALITY.....	6
MODERN.....	6 1/2	SCOTT.....	5
JACKSON.....	6 1/2	CYCLONE.....	4

Newly seeded lawns may be treated after they have been mowed at least twice. To re-seed small areas in treated lawns wait at least 3 weeks after application. A good rain or deep watering should occur during this period.

A few weeds such as henbit that grow during the winter, as well as wild garlic and onion that emerge early in the year, should be controlled in early Spring.

PRECAUTIONS

Do not use ROCKLAND TRIPLE "D" LAWN WEED KILLER for controlling weeds in flower or vegetable beds, shrubs or ornamental plantings, Lippia and Dichondra lawns.

Do not apply during periods of drought unless the lawn is watered thoroughly several days before treatment.

CAUTION. Avoid contact with skin, eyes or clothing. In case of contact, flush with plenty of water; for eyes, get medical attention. Do not contaminate...

MODERN.....	6 1/2	SCOTT.....	5
JACKSON.....	6 1/2	CYCLONE.....	4

Newly seeded lawns may be treated after they have been mowed at least twice. To re-seed small areas in treated lawns wait at least 3 weeks after application. A good rain or deep watering should occur during this period.

A few weeds, such as henbit that grow during the winter, as well as wild garlic and onion that emerge early in the year, should be controlled in early Spring.

PRECAUTIONS

Do not use ROCKLAND TRIPLE "D" LAWN WEED KILLER for controlling weeds in flower or vegetable beds, shrubs or ornamental plantings, Lippia and Dichondra lawns.

Do not apply during periods of drought unless the lawn is watered thoroughly several days before treatment.

CAUTION: Avoid contact with skin, eyes or clothing. In case of contact, flush with plenty of water; for eyes, get medical attention. Do not contaminate water used for irrigation or domestic purposes.

Do not apply within the drip line or root system of trees and shrubs. Do not store near fertilizers, seeds, insecticides or fungicides. Do not use in a greenhouse. Avoid drift of dust to vegetables, flowers, ornamental shrubs, trees and other desirable crop plants. Do not use on centipede grass, St. Augustine grass nor on lawns where desirable bent-grass is present.
