**NET WEIGHT 4 lbs.
Covers 500 sq. ft.**

ROCKLAND GARDEN CLEAN

Contains Trifluralin. ONE EASY APPLICATION stops unwanted grasses (annual bluegrass, crabgrass, stinkgrass, goosegrass, barnyard grass, toxtail) and kills many broadleaf weed seeds (Chickweed, knotweed, pigweed, lambsquarters, smartweed, carpetweed, purslane) at sprouting. Will not harm established flowers, shrubs, and other plants. Do not apply to Auga, Myrtle, Pachysandra, and other ornamental ground-covers as injury may result.

WHEN TO USE: Apply in the spring around shrubbery and in flower beds containing established plants. Apply before grass and weed seeds begin to sprout.

HOW TO USE: ROCKLAND GARDEN CLEAN will control grass and weeds only where applied; therefore, even application (no skips or misses) is important. The contents of this package (4 lbs.) should be spread over no more than 500 sq. ft. For best results, use as follows:

1. Before applying, remove all existing grasses and weeds, as ROCKLAND GARDEN CLEAN kills sprouting seeds but no established plants.
2. Apply after flowers or plants have become established (2 to 3 inches or more in height).
3. At application, work lightly into the soil to improve the weed-prevention action.

CAUTION: Avoid contamination of foodstuffs, feeds and fish ponds. Wash thoroughly after using. Harmful if swallowed. Avoid contact with skin and eyes. Avoid prolonged or repeated inhalation of dust. For use with ornamental plants only.

Ageratum, Aster, Ealsam, Calendula, California Poppy, Calliopsis, Carnation, Cosmos, Dahlia, Forget-Me-Not, Four O'Clocks, Gaillardia, Gladiolus, Hollyhock, Lobelia, Marigold, Morning Glory, Nasturtium, Periwinkle, Petunia, Portulaca, Shasta Daisy, Snapdragon, Stocks, Sunflower, Sweet Alyssum, Sweet Pea, Zinnia.

WARRANTY: Seller makes no warranty, expressed or implied, concerning the use of this product other than indicated on the label. Buyer assumes all risk of use and/or handling of this material when such use and/or handling is contrary to label instructions.
