**A training aid for your own pets.**

from disturbance by dogs and cats, sprinkle the ground or floor about them liberally with granules. Repeat as necessary.

Stray animals are frequently attracted to areas where urine or feces have been deposited. First, remove any droppings then apply these granules. Do not apply these granules directly to foliage of shrubs or to ornamental, soft bodied plants. Do not apply on or near food crops.

General: The most effective control for a pet is the sharply spoken word backed up with disciplinary action. For most effective results on pets, this repellent product should be used in conjunction with training.

**CAUTION:**

Avoid contamination of food and feedstuffs. Use gloves if applying by hand. Avoid contact with skin. Wash hands with soap and water after applying granules.

**WARRANTY:** Seller makes no warranty, expressed or implied, concerning the use of this product other than indicated on the label. Buyer assumes all risk of use and/or handling of this material when such use and/or handling is contrary to label instructions.
