### NET CONTENTS

Manufactured by

## ROCKLAND CHEMICAL CO., INC.

PASSAIC AVENUE

WEST CALDWELL, NEW JERSEY

572-276  
PM 17  
(Confused Flour Beetles, Red Flour Beetles), and WEEVILS, (Granary Weevils, Rice Weevils): Apply in a good sprayer and adjusted to deliver a coarse wet spray, at the rate of 1 gallon to 750 square feet of surface. Direct spray into locations where these insects are found: garbage chutes and cans, into cracks and crevices, dark corners, behind and beneath sinks, stoves, refrigerators and cabinets, along baseboards, and around doors and window frames. Spray ant trails, nests and points of entry. Spray insects directly whenever possible.

In case of infested foods in cabinets, dispose of the infested materials. Remove all contents and clean thoroughly. Spray interior surfaces of empty cabinets thoroughly. After spray has dried, cover shelves with paper or otherwise protect foods from direct contact with sprayed surfaces. Repeat treatment if reinfestation occurs.

### STORAGE AND DISPOSAL

**Sizes One Gallon or Less:** Do not contaminate water, food or feed by storage or disposal. Store in the closed, original container, in a cool, dry, locked storage area away from children and domestic animals. For container disposal, wrap closed container in newspaper and place in trash. Do not reuse container.

**Sizes Greater than One Gallon:** Do not contaminate water, food or feed by storage or disposal. **STORAGE:** Store unused material in the closed, original containers in a locked, cool, dry storage area out of the reach of children and domestic animals. **PESTICIDE DISPOSAL:** Waste resulting from the use of this product may be disposed of on site or at an approved waste disposal facility in accordance with state and local procedures. **CONTAINER DISPOSAL:** Triple rinse (or equivalent). Then offer for recycling or reconditioning or puncture and dispose of in a sanitary landfill or by other procedures approved by state and local authorities. Do not reuse container.

SUBJECT: Rockland Organic Vegetable Garden Spray  
EPA Registration No. 572-285

Dear Ms. Lemm:

The updated Confidential Statement of Formula for this product submitted with your letter dated June 23, 1987 is acceptable.

The amendment to your product label dated November 19, 1986 proposing control of additional insects is acceptable. A stamped copy is enclosed for your records.

In reviewing this label we noted that the brand name, Rockland Organic Vegetable Garden Spray, is unacceptable and must be revised. It is the Agency's policy that the term "organic" is unacceptable for use in pesticide product labeling. It is an implied safety claim. The label for this product will be acceptable provided you delete all references to the term "organic".

You must submit five copies of finished labels before releasing this product for shipment. The revisions listed above must be incorporated into the finished label under which the product will be marketed.

Sincerely yours,

  
Joseph M. Tavano  
Acting Product Manager 17  
Insecticide-Rodenticide Branch
