[572-285]

This insecticide may be used outdoors or in greenhouses throughout the growing season, or as a preharvest treatment when other insecticides are prohibited due to residue restrictions and use limitations.

### DIRECTIONS FOR USE

To control insects named, apply this spray to provide thorough coverage of upper and lower leaf surfaces. Repeat treatments weekly or as needed to control infestations. May be applied on day of harvest.

**CAUTION:** Harmful if swallowed.

This product is toxic to fish. Keep out of lakes, streams or ponds. Do not apply where runoff is likely to occur. Do not apply when weather conditions favor drift from areas treated. Do not contaminate water by cleaning of equipment or disposal of wastes. Shrimp and crab may be killed at application rates recommended on this label. Do not apply where these are important resources. Apply this product only as specified on this label.

Do not reuse empty container. Destroy by perforating or crushing and burying in a safe place. Drums may be reused after thorough cleaning.

**WARRANTY:** Seller makes no warranty, expressed or implied, concerning the use of this product other than indicated on the label. Buyer assumes all risk of use and/or handling of this material when such use and/or handling is contrary to label instructions.

EPA Reg. No. 572-285 EPA Est. 572-NJ-1
