**NET CONTENTS 1 QUART**

**ROCKLAND WEED & GRASS KILLER** is for non-selective weed and grass control in Driveways, Patios, along Fence Rows and Industrial Sites where a weed-free soil surface is desired. This product kills most young weeds and grasses on contact and deposits a chemical residue on the soil. This residue controls annual weeds and grass seedlings from germinating during the entire growing season. Contact activity will be apparent in a few days. Final kill by root penetration may take from 2 to 3 weeks.

**DIRECTIONS FOR USE**

For best results apply in early spring before weeds germinate. If weeds have germinated, apply before they are 4 inches tall. During seasons of unusually high rainfall a second application may be necessary.

For Walks, Driveways, Patios, Tennis Courts and Graveled Areas: Mix 1 quart **WEED & GRASS KILLER** with 2 gallons of water and apply over 250 sq. ft. Use a sprinkling can or sprayer to thoroughly wet all foliage.

For areas where heavy grass and weed growth is present in such as Fence Rows and Fire Lanes and where vegetation is more than 24 inches high: Mow or cut to 8 inch height before applying. Apply 1 quart in 5 to 8 gallons of water per 250 sq. ft. To control deep rooted perennial weeds such as Milkweed and Canada Thistle a second application in 2 to 3 months may be necessary.

**CLEANING EQUIPMENT:** Wash sprinkling can or sprayer thoroughly with household detergent and water immediately after use. Rinse well with clean water.

**CAUTION:** Keep out of reach of children. Harmful if swallowed. Avoid contact with skin, eyes or clothing. In case of skin contact, wash thoroughly with soap and water. Avoid breathing spray mist. Avoid contamination of feed and foodstuffs. Avoid contamination of waters used for domestic or irrigation purposes.

**DO NOT USE, POUR, SPILL OR STORE NEAR HEAT OR OPEN FLAME.**

Do not use this product on lawns. Do not use close to desirable flower beds. Do not apply over zones of valuable trees, shrubs or woody ornamental plants. Apply this material outside the drip line of trees and shrubs. Do not store near fertilizers, seeds, insecticides or fungicides. Avoid spray drift to susceptible plants as this product may injure cotton, beans, peas, grapes, ornamentals, etc. (Coarse sprays are less likely to drift). Do not reuse empty container. Destroy by perforating and crushing and bury or discard in a safe place. Vapors from this product may injure susceptible plants in the immediate vicinity.

Do not contaminate water by cleaning of equipment or disposal of wastes. Apply this product only as specified on this label.

**WARRANTY:** Seller makes no warranty, expressed or implied, concerning the use of this product other than indicated on the label. Buyer assumes all risk of use and/or handling of this material when such use and/or handling is contrary to label instructions.
