

ACCEPTED

JUN 29 1983

Under the Federal Insecticide,  
Fungicide, and Rodenticide Act  
as amended, for the pesticide  
registered under  
EPA Reg. No. 572-301

Rockland  
Weed  
and Grass  
Killer

Kills most vegetation  
Prevents regrowth when used as directed  
One quart in 2 gallons of water covers 250 sq.ft.

Active Ingredients:

*Prometon [2,4-bis(isopropylamino)-6-methoxy-s-triazine]...	3.50%
**Butoxy propyl ester of 2,4-Dichlorophenoxyacetic acid.....	1.63%
Inert Ingredients:.....	94.87%
	100.00%

\*\*Equivalent to 2,4-dichlorophenoxyacetic acid 1.0%  
\*U.S. Patent 2,909,420

CAUTION: KEEP OUT OF REACH OF CHILDREN  
See back panel for additional cautions

Net Contents One Quart (32 Fl. Oz.)

EPA: Front panel caution statements will meet type size requirements according to label size needed for various containers. STORAGE AND DISPOSAL title will meet relative type size requirement.

#### PRECAUTIONARY STATEMENTS

##### HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION: Harmful if swallowed. Avoid contact with eyes and skin. Avoid inhalation of spray mist. Avoid contamination of food and feed.  
IF SWALLOWED: Do not induce vomiting. Call a physician immediately.  
IF IN EYES: Irrigate with flowing water continuously for fifteen minutes. Get medical attention.  
IF ON SKIN: Wash with soap and water.

##### ENVIRONMENTAL HAZARDS

Do not contaminate water used for irrigation or domestic purposes. Do not apply directly to any body of water. Do not contaminate water by cleaning of equipment or disposal of wastes.

##### PHYSICAL HAZARDS

Do not use, pour, spill or store near heat or open flame.

ROCKLAND WEED AND GRASS KILLER is for non-selective weed and grass control in Driveways, Patios, along Fence Rows and industrial Sites where a weed-free soil surface is desired. This product kills most young weeds and grasses on contact and deposits a chemical residue on the soil. This residue controls annual weeds and grass seedlings from germinating during the entire growing season. Contact activity will be apparent in a few days. Final kill by root penetration may take from 2 to 3 weeks.

##### DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

For best results apply in early Spring before weeds germinate. If weeds have germinated, apply before they are 4 inches tall. During seasons of unusually high rainfall a second application may be necessary.

For Walks, Driveways, Patios, Tennis Courts and Graveled Areas: Mix 1 quart WEED & GRASS KILLER with 2 gallons of water and apply over 250 sq. ft. Use a sprinkling can or sprayer to thoroughly wet all foliage.

For areas where heavy grass and weed growth is present in such as Fence Rows and Fire Lanes and where vegetation is more than 24 inches high, mow or cut to 8 inch height before applying. Apply 1 quart in 5 to 8 gallons of water per 250 sq. ft. To control deep rooted perennial weeds such as Milkweed and Canada Thistle a second application in 2 to 3 months may be necessary.

CAUTION: Do not use this product on lawns. Do not use close to desirable flower beds. Do not apply over root zones of valuable trees, shrubs or woody ornamental plants. Apply this material outside the drip line of trees and shrubs. Do not store near fertilizers, seeds, insecticides or fungicides. Avoid spray drift to susceptible plants as this product may injure cotton, beans, peas, grapes, ornamentals, etc. (Coarse sprays are less likely to drift). Do not reuse empty container. Destroy by perforating and crushing and bury or discard in a safe place. Vapors from this product may injure susceptible plants in the immediate vicinity.

7. 31 303

**CLEANING EQUIPMENT:** Wash sprinkling can or sprayer thoroughly with household detergent and water immediately after use. Rinse well with clean water.

**STORAGE AND DISPOSAL**

**STORAGE:** Store unused material, in original container only, in a locked storage area out of reach of children and animals. Keep container tightly closed.

**DISPOSAL:** Do not reuse empty container. Securely wrap in several layers of newspaper and discard in trash.

**WARRANTY:** Seller makes no warranty, expressed or implied, concerning the use of this product other than indicated on the label. Buyer assumes all risk of use and/or handling of this material when such use and/or handling is contrary to label instructions.
