Certification Statement

Product: Rockland Weed and Grass Killer
EPA Reg. No: 572-301

Notification of label change relative to PR Notice 2001-6. This notification is consistent with the guidance in PR Notice 2001-6 and the requirements of EPA's regulations at 40 CFR 156.10 and 40 CFR 152.46, and no other changes have been made to the labeling or the confidential statement of formula of this product. I understand that it is a violation of 18 U.S.C. Sec. 1001 to willfully make any false statement to EPA. I further understand that if this notification is not consistent with the guidance of PR Notice 2001-6 and the requirements of 40 CFR 156.10 and to 40 CFR 152.46, this product may be in violation of FIFRA and I may be subject to enforcement action and penalties under sections 12 and 14 of FIFRA.

Rockland® Weed & Grass Killer

- Kills Most Vegetation.
- Prevents Regrowth When Used as Directed.
- One Gallon in 8 Gallons of Water Covers 1000 sq. ft.
or One Quart in 2 Gallons of Water Covers 250 sq. ft.

ACTIVE INGREDIENTS:

Prometon: 2,4-bis(isopropylamino) 6-methoxy-s-triazine.....	3.50%
Tech. 2,4-D: 2-ethylhexyl ester of 2,4-D acid.....	1.50%
OTHER INGREDIENTS.....	95.00%
	100.00%

*Equivalent to 1% 2,4 isomer of 2,4 Dichlorophenoxyacetic Acid.
Not less than 0.07 pounds of isomer of 2,4-D per gallon. Isomer specific by AOAC Method 6 DO1-5.

NOTIFICATION
JUL 26 2002

KEEP OUT OF REACH OF CHILDREN

WARNING

See Back Panel For Additional Precautionary Statements.

Net Contents: One Quart, One Gallon, Five Gallons

FIRST AID	
Have the product container or label with you when calling a poison control center or doctor, or going for treatment	
If in Eyes:	-Hold eye open and rinse slowly and gently with water for 15-20 minutes. -Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. -Call a poison control center or doctor for treatment advice.
If Swallowed:	-Call poison control center or doctor immediately for treatment advice. -Have person sip a glass of water if able to swallow. -Do not induce vomiting unless told to do so by the poison control center or doctor. -Do not give anything by mouth to an unconscious person.
If on Skin or Clothing:	-Take off contaminated clothing. -Rinse skin immediately with plenty of water for 15-20 minutes. -Call a poison control center or doctor for treatment advice.
If inhaled:	-Move person to fresh air. -If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. -Call a poison control center or doctor for further treatment advice.
For information regarding medical emergencies or pesticide incidents, call the International Poison Center at 1-888-740-8712.	
Note to Physician: Contains petroleum distillate - vomiting may cause aspiration pneumonia.	

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS: Harmful if swallowed. Avoid contact with eyes and skin. Avoid inhalation of spray mist. Avoid contamination of food and feed. Keep children and pets off treated area until spray dries.

ENVIRONMENTAL HAZARDS: This product is toxic to aquatic invertebrates. Drift or runoff may adversely affect aquatic invertebrates and nontarget plants. Do not apply directly to water, or to

4/6

areas where surface water is present or to intertidal areas below the mean high water mark. Do not contaminate water when disposing of equipment washwaters.

Most cases of groundwater contamination involving phenoxy herbicides such as 2,4-D have been associated with mixing/loading and disposal sites. Caution should be exercised with handling 2,4-D pesticides at such sites to prevent contamination of groundwater supplies. Use of closed systems for mixing or transferring this pesticide will reduce the probability of spills. Placement of the mixing equipment on an impervious pad to contain spills will help prevent groundwater contamination.

PHYSICAL HAZARDS: Do not use, pour, spill or store near heat or open flame.

IMPORTANT: READ BEFORE USE

Read the entire Directions for Use, Conditions, Limited Warranty & Disclaimer before using this product. If terms are not acceptable, return the unopened product container at once. By using this product, user or buyer accepts the following Conditions, Disclaimer of Warranties and Limitations of Liability.

CONDITIONS: The directions for use of this product are believed to be adequate and should be followed carefully. However, it is impossible to eliminate all risks associated with the use of this product. Injury, ineffectiveness or other unintended consequences may result because of such factors as weather conditions, presence of other materials, or the manner of use or application, all of which are beyond the control of Rockland Corporation. All such risks shall be assumed by the user or buyer.

LIMITED WARRANTY & DISCLAIMER: The manufacturer warrants only that the chemical composition of this product conforms to the ingredient statement given on the label, and that the product is reasonably suited for the labeled use when applied according to the Directions for Use. **The Manufacturer neither makes nor intends any other express or implied warranties, including any warranty of merchantability or fitness for a particular purpose, which are expressly disclaimed.** This limited warranty does not extend to the use of the product inconsistent with label instructions, warnings or cautions, or to use of the product under abnormal conditions such as drought, excessive rainfall, tornadoes, hurricanes, etc. These factors are beyond the control of the manufacturer or the seller. Any damages arising from a breach of the manufacturer's warranty shall be limited to direct damages, and shall not include indirect or consequential damages such as loss of profits or values, except as otherwise provided by law. The terms of this Limited Warranty and Disclaimer cannot be varied by any written or verbal statements or agreements. No employee or agent of the seller is authorized to vary or exceed the terms of this Limited Warranty and Disclaimer in any manner.

OR (Optional language for small homeowner package 1 gallon or less)

IMPORTANT: Read Before Use Read the entire Directions for Use and Warranty before using this product. If terms are not acceptable, return the unopened product container at once. By using this product, user or buyer accepts the following Limitations of Liability. **LIMITATIONS OF LIABILITY:** The exclusive remedy of the user or buyer for any and all losses, injuries or damages resulting from the use or handling of this product, whether in contract, warranty, tort, negligence, strict liability or otherwise, shall not exceed the purchase price paid.

ROCKLAND WEED AND GRASS KILLER is for non-selective weed and grass control in Driveways, Patios, along Fence Rows where a weed-free soil surface is desired. This product kills most young weeds and grasses on contact and deposits a chemical residue on the soil. This residue controls annual weeds and grass seedings from germinating during the entire growing season. Contact activity will be apparent in a few days. Final kill by root penetration may take from 2 to 3 weeks.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with it's labeling.

HANDLING PRECAUTIONS: When using this product wear long-sleeved shirt, long pants, socks, shoes and chemical resistant gloves. After using this product, rinse gloves before removing, remove clothing and launder separately before reuse, and promptly and thoroughly wash hands and exposed skin with soap and water. Remove saturated clothing as soon as possible and shower.

***** (See Insert for larger than one gallon size at end of copy)**

Do not allow people (other than applicator) or pets on treatment area during application. Do not enter treatment area until spray has dried.

For best results, apply in early Spring before weeds germinate. If weeds have germinated, apply before they are 4 inches tall. During seasons of unusually high rainfall a second application may be necessary.

For Walks, Driveways, Patios, Tennis Courts and Graveled areas: Mix one quart WEED & GRASS KILLER with 2 gallons of water and apply over 250 sq. ft. Use a sprinkling can or sprayer to thoroughly wet all foliage.

For areas where heavy grass and weed growth is present in such as Fence Rows and Fire Lanes and where vegetation is more than 24 inches high, mow or cut to 8 inch height before applying. Apply 1 quart in 5 to 8 gallons of water per 250 sq. ft. To control deep rooted perennial weeds such as Milkweed and Canada Thistle, a second application in 2 to 3 months may be necessary. The maximum number of broadcast application per treatment site is 2 per year.

CAUTION: Do not use this product on lawns. Do not use close to desirable flower beds. Do not apply over root zones of valuable trees, shrubs or woody ornamental plants. Apply this material outside the spray drift to susceptible plants as this product may injure cotton, beans, peas, grapes, ornamentals, etc. (Coarse sprays are less likely to drift). Vapors from this product may injure susceptible plants in the immediate vicinity.

CLEANING EQUIPMENT: Wash sprinkling can or sprayer thoroughly with household detergent and water immediately after use. Rinse with clean water.

STORAGE AND DISPOSAL

STORAGE: Store unused material, in original container only, in a locked, dry storage area out of reach of children and animals. Do not contaminate water, food or feed by storage or disposal. Do not store near fertilizer, seeds or other pesticides. Keep from freezing.

PESTICIDE DISPOSAL: Pesticide wastes are toxic. Improper disposal of excess pesticides, spray mixture or rinsate is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional office for guidance.

CONTAINER DISPOSAL: Do not reuse empty container. Triple rinse, or equivalent and offer for recycling or reconditioning, or, puncture and dispose of in a sanitary landfill or by other procedures approved by state and local authorities.

HOMEOWNER DISPOSAL: If Empty: Do not reuse this container. Place in trash or offer for recycling if available. If Partly Filled: Call your local solid waste agency or 1-800-CLEANUP for disposal instructions. Never place unused product down any indoor or outdoor drain.

WARRANTY: Seller makes no warranty, expressed or implied, concerning the use and/or handling of this material when such use and/or handling is contrary to label instructions.

HANDLING PRECAUTIONS FOR OVER 1 GAL., AND OVER 5 GAL.

*****If container is over 1 gallon, up to 5 gallon:** Persons engaged in open pouring of this product must also wear coveralls or a chemical-resistant apron.

If Container is over 5 gallon size: A mechanical system (probe & pump) must be used for transferring the contents of this container. If the contents of a non-refillable pesticide container are emptied, the probe must be rinsed before removal.
