DIRECTIONS FOR USE:

GARDEN SPRAY--For control of Aphids, Spider Mites and certain other insects, mix 2
teaspoonfuls in 1 gallon of water. Spray foliage thoroughly.

FLY SPRAY--To control flies and mosquitoes outside mix 5 tablespoonfuls to 1 gallon
of water. Spray around garbage cans, fences, walls or wherever these insects
alight.

For further directions, see attached tag.

DANGER--Keep away from heat or open flame. Non-flammable when diluted with water
according to directions.

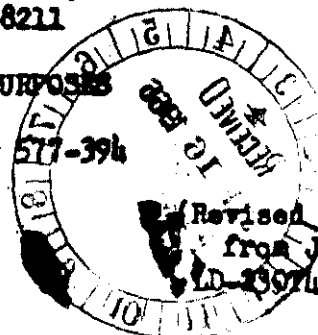

NOTICE: This product sold without warranty. Buyer assumes all risk in use or
handling.

CAUTION--Harmful if swallowed. Avoid breathing spray mist. Avoid repeated or
prolonged contact with skin, wash thoroughly. Avoid contamination of feed or
foodstuffs. Keep out of reach of children.
