CUPRINOL® WOOD PRESERVATIVE

No. 10

THIS IS THE **WOOD PRESERVATIVE WHICH IS WORLD FAMOUS AMONG BOAT OWNERS. IT PROLONGS THE LIFE OF ALL WOOD BY PROTECTING AGAINST ROT, TERMITE DAMAGE, MILDEW, WARPING AND SWELLING.**

Cuprinol® Green No. 10 contains a powerful copper fungicide-insecticide and water repellents for three-way protection. This is important for wood used in contact with soil, water and concrete. Apply Cuprinol liberally to fence posts, poles, foundation sills, docks, boats and all wood exposed to moisture or weather. Wood should be free of bark, dry and well-seasoned. Exceeds Federal Specification TT-W-00572b.

The green of Cuprinol No. 10 is from the copper fungicide and is not a lasting stain. Color will fade within a matter of months, and may bleed through lighter colors of stains and paints. Use Cuprinol® Clear Wood Preservative for wood above ground level and under paint.

LIMITED WARRANTY

Cuprinol Group will replace this product if it is shown to be defective within one year of the date of purchase. Claims must be sent within that warranty period, together with proof of purchase, to: Cuprinol Group, 101 Prospect Ave., Cleveland, OH 44115.

This warranty does not apply if the product is not used as directed. THE DURATION OF ANY IMPLIED WARRANTIES IS LIMITED TO THE DURATION OF THIS LIMITED WARRANTY. CUPRINOL GROUP'S LIABILITY UNDER ANY WARRANTY, WHETHER EXPRESS OR IMPLIED, IS LIMITED SOLELY TO REPLACEMENT OF THE PRODUCT AND DOES NOT INCLUDE LABOR OR OTHER INCIDENTAL OR CONSEQUENTIAL DAMAGES. Some states do not allow limitations on how long an implied warranty lasts or exclusions or limitations of incidental or consequential damages, so the above limitations or exclusions may not apply to you. This warranty gives you specific legal rights, and you may have other rights which vary from state to state.

PRECAUTIONARY STATEMENTS: HAZARDS TO HUMANS AND DOMESTIC ANIMALS. WARNING

Contains petroleum distillates. Harmful if swallowed. If swallowed, do not induce vomiting. Call physician immediately. May be absorbed through skin. Causes skin irritation. Avoid breathing vapor or spray mist. Use in well ventilated area. Avoid contact with skin, eyes or clothing. In case of contact, immediately remove contaminated clothing and wash skin with soap and water. For eyes, flush with plenty of water and get medical attention. Wash clothing before reuse. KEEP OUT OF REACH OF CHILDREN

ENVIRONMENTAL HAZARDS:

This product is toxic to fish. Keep out of lakes, streams or ponds. Do not contaminate water by cleaning of equipment or disposal of wastes. Apply this product only as specified on this label.

PHYSICAL OR CHEMICAL HAZARDS

COMBUSTIBLE MIXTURE. DO NOT USE, POUR, SPILL OR STORE NEAR HEAT OR OPEN FLAME.

N.Y.F.D. Certificate of Approval No. 3799

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. BEFORE USE, THOROUGHLY MIX CONTENTS OF CAN. DO NOT THIN. Apply by brush, spray or dip to clean, dry, bare wood. Use one thin coat under finishes. When no finish is to be used, two generous coats applied within 1 hour, or a 3-minute dip, is recommended. THOROUGHLY cover ends. The more preservative absorbed by the wood, the longer and more effective the protection. Cuprinol Wood Preservative dries to the touch rapidly. Clean excess from surface with mineral spirits and let dry approximately 24 hours before applying dark paint or finish. Clean Cuprinol Green No. 10 from brushes, etc., with mineral spirits or turpentine. Not recommended to be overcoated with latex (water base) paint or clear finishes until thoroughly cured (6-12 months)

Coverage: 300 sq. ft per gallon average, depending on wood porosity and surface roughness

STORAGE & DISPOSAL

STORAGE: Close container tightly and store upright to prevent leakage. Do not contaminate water, food or feed by storage or disposal. Do not use or store near excessive heat, sparks or flame. Store in original container. Soak up spills with sand, dirt or synthetic absorbent and non-sparking tools.

PESTICIDE DISPOSAL: Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture or rinsate is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

CONTAINER DISPOSAL: Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill or by other procedures approved by state and local authorities. Do not re-use original container.
