The Cuprinol Promise

We promise that Cuprinol products will save you time and help protect and beautify wood. We also promise that Cuprinol products will perform to your satisfaction or we'll refund your money. If you have any questions about Cuprinol products, where, how and when to use them, please call us at
1-800-424-5837

PRECAUTIONARY STATEMENTS: HAZARDS TO HUMANS AND DOMESTIC ANIMALS.

WARNING: Contains petroleum distillates. Harmful if swallowed. If swallowed, do not induce vomiting. Call physician immediately. May be absorbed through skin. Causes skin irritation. Avoid breathing vapor or spray mist. Use in well ventilated area. Avoid contact with skin, eyes or clothing. In case of contact, immediately remove contaminated clothing and wash skin with soap and water. For eyes, flush with plenty of water and get medical attention. Wash clothing before reuse. **KEEP OUT OF REACH OF CHILDREN.**

ENVIRONMENTAL HAZARDS: This product is toxic to fish. For terrestrial uses, do not apply directly to water, or to areas where surface water is present or to intertidal areas below the mean high water mark. Do not contaminate water by disposal of equipment wash waters.

PHYSICAL OR CHEMICAL HAZARDS: COMBUSTIBLE MIXTURE. DO NOT USE, POUR, SPILL OR STORE NEAR HEAT OR OPEN FLAME.

STORAGE & DISPOSAL

STORAGE: Close container tightly and store upright to prevent leakage. Do not contaminate water, food or feed by storage or disposal. Do not use or store near excessive heat, sparks or flame. Store in original container. Soak up spills with sand, dirt or synthetic absorbent and non-sparking tools.

PESTICIDE DISPOSAL: Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture or rinsate is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

CONTAINER DISPOSAL: Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill or by other procedures approved by state and local authorities. Do not re-use original container.

E*14

This is the Wood Preservative which is world famous among boat owners. It prolongs the life of all wood by protecting against rot, termite damage, mildew, warping and swelling.

Cuprinol® No. 10 Green Preservative contains a powerful copper fungicide-insecticide and water repellents for three-way protection. This is important for wood used in contact with soil, water and concrete. Apply Cuprinol liberally to fence posts, poles, foundation sills, docks, boats and all wood exposed to moisture or weather. Wood should be free of bark, dry and well seasoned. Exceeds Federal Specification TT-W-00572b.

The green of Cuprinol No. 10 is from the copper fungicide and is not a lasting stain. Color will fade within a matter of months, and may bleed through lighter colors of stains and paints. Use Cuprinol® Siding Clear Preservative for wood above ground and under paint.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. **BEFORE USE, THOROUGHLY MIX CONTENTS OF CAN. DO NOT THIN.** Apply by brush, spray or dip to clean, dry, bare wood. Use one thin coat under finishes. When no finish is to be used, two generous coats applied within 1 hour, or a 3-minute dip, is recommended. **THOROUGHLY** cover ends. The more preservative absorbed by the wood, the longer and more effective the protection. Cuprinol No. 10 Green Preservative dries to the touch rapidly. Clean excess from surface with mineral spirits and let dry approximately 24 hours before applying dark paint or finish.

Clean Cuprinol No. 10 Green Preservative from brushes, etc., with mineral spirits or turpentine. Not recommended to be overcoated with latex (water base) paint or clear finishes until thoroughly cured (6-12 months).

COVERAGE: 300 sq. ft. per gallon average, depending on wood porosity and surface roughness.

SATISFACTION GUARANTEED

When used according to label instructions, if this product fails to perform, Cuprinol will furnish an equivalent amount of new product at no charge or will refund the purchase price upon proof of purchase. This guarantee does not include labor or cost of labor for the application of product.
