

HAVILAND METHOXYCHLOR ELM SPRAY

ACTIVE INGREDIENTS:

*Methoxychlor, technical	25.0%
Petroleum Distillate	2.8%
Xylene	69.2%
INERT INGREDIENTS:	3.0%
Total	100.0%

*Equivalent to 22.0% 2,2 bis (p-methoxyphenyl) 1, 1, 1 trichloroethane and 3.0% other isomers and reaction products.

Recommended for specific use against the Elm Bark Beetles on all Elm Trees to prevent infection and spreading of Dutch Elm Disease. In order to obtain the best results in controlling Dutch Elm Disease, it must be remembered that good sanitation practice must be carried through also. That is, all dead and diseased trees and beetle breeding places must also be destroyed.

DIRECTIONS FOR USE:

Haviland Methoxychlor Elm Spray may be used in either of the two current methods of application Dutch Elm Spray treatments. One method, the Dilute Spray (Hydraulic Sprayer) uses large amounts of water and the other the Concentrate Mist Blower method uses small amounts of water.

Dilute Sprays: For the pre bud treatment, use 5 gallons of Haviland Methoxychlor Elm Spray to 100 gallons of water. Wet all bark on trunks, limbs and twigs in the pre bud treatment. For the July treatment, use 4 gallons of Haviland Methoxychlor Elm Spray to 100 gals. of water. Apply to give complete coverage including the bark.

Concentrate Sprays: For the pre bud treatment, use 1 part Haviland Methoxychlor Elm Spray to 1 part water. This makes a 12 1/2% concentration mist-blower spray. For the July treatment, use 1 part of Haviland Methoxychlor Elm Spray to 3 parts water. This makes a 6 1/2% concentration mist-blower spray. Treatment should thoroughly cover all bark surfaces.

WARNING-FLAMMABLE:
KEEP AWAY FROM HEAT OR OPEN FLAME

CAUTION: Keep Out of Reach of Children

Avoid contact with skin. In case of contact with skin or eyes flush with plenty of water and wash thoroughly. For eyes flush with plenty of water and get medical attention. Avoid breathing spray mist. Avoid contamination of feed and foodstuffs. Harmful if swallowed.

Highly toxic to fish. Do not contaminate water by cleaning of equipment or disposal of wastes, nor apply when conditions favor drift from the crop area treated. Do not apply in any manner not specified on the label.

Do not use empty drum. Return to drum manufacturer or destroy by perforating or crushing and burying in a safe place.

NON-WARRANTY

Does not make any warranty, expressed or implied, concerning the use of this product other than indicated on the label. Buyer assumes all risk of use and or handling when such use and or handling is contrary to label directions.
