

## USE PRECAUTIONS

Do not apply during bloom when honey bees or other pollinators are active. Avoid drift to adjoining feed and forage crops about to be harvested, or crops in bloom. Use only at the rates suggested and do not use closer to harvest than is specified. Consult State Agricultural Experiment Station for additional information, as to timing, number and rate or applications needed will vary with local conditions.

This product is toxic to fish.

Keep Out of lakes, streams or ponds.

Do not apply when weather conditions favor drift from areas treated.

Apply this product only as specified on this label.

Do not contaminate water by cleaning of equipment, or disposal of wastes.

## NON-WARRANTY

Seller makes no warranty, expressed or implied, concerning the use of this product other than indicated on the label. Buyer assumes all risk of use and/or handling when such use and/or handling is contrary to label instructions.
