DIRECTIONS FOR USE For Roaches.
 Distribute Pyrethrum-Ryania Roach Powder in visible concentration beneath and behind appliances such as refrigerators and stoves. Apply a continuous visible film on and behind all moldings, shelving edges, around pipe openings, in cracks and crevices where the insects may hide. Repeat as necessary. Allow to remain overnight or longer.

BE SURE SURFACE IS DRY BEFORE DUSTING WITH POWDER.

KEEP OUT OF REACH OF CHILDREN AND PETS.

COOK'S ORIENTAL

KILLER is not a food. Insects walk through it and effect their own death.

USDA REG. NO. 8003
