

HOW TO USE PURINA INSECT KILLER

Purina Insect Killer is very effective when used as directed. It kills by contact action. One thorough treatment of animal will often kill all pests. When dusted about buildings, Purina Insect Killer may be effective for several weeks if powder is undisturbed.

FOR DUSTING ANIMALS

For Lice, Ticks, Fleas, and Sheep Keds on Beef Cattle, Hogs, Sheep, Goats, Horses, or Mules: Dust animal thoroughly, rubbing the powder well into the coat of the infested area. Repeat treatment if animal becomes reinfested.

For Lice, Fleas, and Ticks on Dogs and Foxes: Dust powder well into the hair coat, particularly along the back line from the base of the tail to the head. To aid in controlling ticks and fleas, also dust kennels, hutches, bedding or litter. Repeat treatment when necessary.

FOR BUILDING USE

For Roaches, Spiders, Silverfish, Crickets, Odorous House Ant, and Little Black Ant: Dust powder into cracks, along baseboards, in corners, around water pipes, runways or wherever insects hide. Repeat if necessary.

For Carpet Beetles: Treat localized areas of room, under furniture, around margin of rugs and over baseboards where insects are seen. Do not apply to large areas of the rug or floor. Do not use in edible products areas of food processing plants, restaurants or other areas where food is commercially prepared or processed. Do not use in serving areas while food is exposed.

CAUTION: Avoid inhalation. May cause irritation of nose and throat. May be absorbed through skin. Wash hands thoroughly after using this product.

Avoid contamination of feed and foodstuffs. Do not treat within 30 days of slaughter. Do not use on dairy goats. Do not use on hogs within two weeks of farrowing nor for at least three weeks thereafter. Do not treat animals under three months of age. Do not apply directly to areas of skin affected by mange, eczema, summer itch, or similar open sores. Avoid treating overheated or sick animals.

This product is toxic to fish and wildlife. Do not contaminate water by cleaning of equipment, or disposal of wastes. Apply this product only as specified on this label.

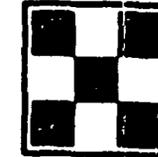

Do not reuse empty container. Destroy it by burying with waste or burning. Stay away from smoke or fumes.
