

FLANK AND UDDER WASH AND TEAT CUP RINSE Use one ounce of product per gallon of warm water. Wash and rinse thoroughly. Always use freshly prepared solution and never concentrate.

FOR CLEANING AND SANITIZING EQUIPMENT IN POULTRY PROCESSING PLANTS C & S Powder has been placed on the list of products that can be used in official plants operating under the poultry grading and inspection services of the Agricultural Marketing Service. Use C & S Powder at the rate of one tablespoon per gallon of warm water. Equipment or utensils should be thoroughly rinsed with clean water before they are used.

HOME USE Use one ounce of product per gallon of water for cleaning and sanitizing refrigerators, toilets, and tubs. For sanitizing toilets, add the one ounce of product directly to the water remaining in the toilet bowl and use this solution for cleaning and sanitizing interior bowl surfaces.

PET QUARTERS Remove gross filth and heavy soil deposits from surfaces prior to application of Purina C & S Powder. Use one ounce of product per gallon of water for cleaning and sanitizing equipment such as feeders and waterers. Use one ounce of product per gallon of water for cleaning and sanitizing floors, walls, and runs, concrete or wood.

DANGER: Keep out of Reach of Children. Corrosive. Causes eye damage and skin irritation. Do not get in eyes, on skin or on clothing. Protect eyes and skin when handling. Avoid breathing dust. Harmful or fatal if swallowed. Avoid contamination of food.

FIRST AID: In case of contact, immediately flush eyes or skin with plenty of water for at least 15 minutes. For eyes, call a physician. Remove and wash contaminated clothing before reuse.

If swallowed, drink promptly a large quantity of milk, egg whites, gelatin solution or if these are not available, drink large quantities of water. Avoid alcohol. Call a physician immediately.

NOTE TO PHYSICIAN: Probable mucosal damage may contraindicate the use of gastric lavage. Measures against circulatory shock, respiratory depression and convulsion may be needed.

Do not reuse empty container. Destroy it by perforating or crushing. Bury or discard in a safe place away from water supplies.
