

CAUTION: COMBUSTIBLE MIXTURE
Do not spray near open flame. Do not smoke while using.

DIRECTIONS

Remove protective cap. Point valve opening toward surface to be sprayed. Press top of valve with finger to release spray. Pests are quickly killed when sprayed directly. Roach and Ant Killer controls pests for many weeks when applied to surfaces on which insects crawl. Repeat treatment as necessary.

Indoor Use: Roaches (waterbugs or Palmetto Bugs), Ants, Spiders, Crickets, Scorpions, Silverfish: Spray into cracks, crevices, around baseboards and other places where these insects hide. Apply behind and beneath cabinets, refrigerators, sinks, stoves, and in and around waste containers. For ants, spray trails and places where ants enter premises. Repeat as needed. Do not spray foodstuffs or house plants. Remove pets and cover fish bowls before spraying. Do not allow children to contact treated areas until surfaces are thoroughly dry.

Brown Dog Ticks: Spray sleeping quarters of pets, around baseboards, window and door frames, wall cracks, and local areas of floors. Repeat as needed. Fresh bedding should be placed in animal quarters after spraying. Do not spray animals.

Outdoor Use. Ants, Clover Mites, Crickets, Earwigs, Fleas, Millipedes, Sowbugs, Brown Dog Ticks, Flies and Mosquitoes: Spray infested areas thoroughly including outside surfaces of screens, doors, window frames, foundations, patios, or other places where insects may enter. For ants, spray hills and runways. Repeat as necessary. Do not spray vegetation.

CAUTION: Harmful or fatal if swallowed. If swallowed induce vomiting. Call physician immediately; atropine sulfate is antidotal. Should illness occur, get prompt medical aid.

May be harmful if inhaled or absorbed through the skin. Avoid breathing of spray mist and provide adequate ventilation of area being treated. Contact with skin, eyes, or clothing should be avoided. In case of contact with skin, wash with soap and water. Wash thoroughly after using. Avoid contamination of food, utensils, and food preparation areas.

Do not set container on stove or radiator. Wash spray residue off plastic surfaces, asphalt tile, or surfaces that might stain.

Do not spray on animals.

Active Ingredients:

O-Isopropoxyphenyl methylcarbamate.....	0.50%
Pyrethrins.....	0.05%
Technical Piperonyl Butoxide**.....	0.10%
N-octyl bicycloheptene dicarboximide.....	0.17%
Petroleum hydrocarbons.....	58.24%
Inert Ingredients.....	40.94%
	100.00%

**Consists of 0.08% of (butylcarbityl) (6-propylpiperonyl) ether and 0.02% of related compounds.

NET WEIGHT  14 OZS. AVDP.
