ED UNDER NO. 147-751

## PURINA ANT AND ROACH SPRAY

**WARNING—FLAMMABLE! KEEP AWAY FROM HEAT OR OPEN FLAME**

**DIRECTIONS: For Spot Applications Only. Use as a surface spray only as specified on this label. Apply as a coarse, large droplet spray to localized areas where pests may occur. Spray surfaces until wet. Re-treat as needed.**

**Cockroaches, Ants, Silverfish, Spiders, Crickets:** Spray into cracks and corners, beneath and behind cabinets, refrigerators, sinks and stoves, behind baseboards, around doors and windows, along foundation, around garbage and waste containers, and other localized areas where pests may occur. Spray ant trails and places where ants may enter.

**Brown Dog Ticks:** Remove dog from area. Spray infested areas such as bed and resting quarters, nearby cracks, along and behind baseboards, window and door frames and localized areas of floor and floor covering where these pests may be present. Old bedding of pets should be removed and replaced with clean, fresh bedding after treatment. Do not spray pets with this product.

**Flies and Mosquitoes:** Use only out of doors as an aid in reducing annoyance from these insects. Spray outside surfaces of window and door frames, dark corners and under eaves of porches, patios and garages.

**CAUTION: KEEP OUT OF REACH OF CHILDREN. HARMFUL IF SWALLOWED.** Do not take internally. Avoid contact with eyes, skin and clothing. Flush contaminated eyes with plenty of water, and get medical attention if irritation persists. Wash all contaminated clothing with soap and hot water before reuse. Avoid breathing vapors or spray mist. Do not smoke while using. Wash thoroughly after handling. If swallowed do not induce vomiting. Call a physician immediately.

**Note to Physician:** Contains petroleum distillate. If gastric lavage is necessary, undertake only after proper placement of a cuffed endotracheal tube. Active ingredients contain a cholinesterase inhibitor. Treat symptomatically. Atropine is an antidote.

**USE PRECAUTIONS:** Do not use as a space spray or on plants. Remove pets and cover fish bowls before spraying. Do not allow children or pets to contact treated surfaces until spray has dried. Do not contaminate food, feedstuffs, or water supply. Thoroughly wash dishes and food utensils if contaminated with this product. Wash spray residue off plastic surfaces, asphalt tile, or surfaces that might stain.

Do not use in edible products areas of food processing plants, restaurants or other areas where food is commercially prepared or processed. Do not use in serving areas while food is exposed.

This product is toxic to fish. Do not contaminate water by cleaning equipment or disposal of wastes.

Do not reuse empty container. Destroy when empty and discard in a safe place.
