	TERM OF ISSUANCE Conditional	
	NAME OF PESTICIDE PRODUCT Purina Flea and Insect Carpet Dust	

NAME AND ADDRESS OF REGISTRANT (Include ZIP code)

Purina Mills, Inc.  
 P.O. Box 66817  
 St. Louis, MO 63166

NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA section 3(c)(7)(A) provided that you:

1. Submit/cite all data required for registration/reregistration of your product under FIFRA section 3(c)(5) and sec. 4(a) when the Agency requires all registrants of similar products to submit such data.
2. Add the phrase "EPA Registration No. 602-337" to your label before you release the product for shipment.
3. Submit five (5) copies of your final printed labeling before you release the product for shipment. Refer to the A-79 enclosure for a further description of final printed labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

**PRECAUTIONARY STATEMENTS**  
**Hazards To Humans and Domestic Animals**  
**CAUTION**

Harmful if swallowed. Avoid breathing of dust and contact with eyes, skin or clothing. Wash hands with soap and warm water after handling and before eating or smoking. Do not contaminate feed, water or foodstuffs.

Do not use in food serving areas while food is exposed. Food processing surfaces and utensils should be covered or thoroughly washed after treatment. Cover fish aquariums before use. Keep children and pets off treated areas and during treatment and until area is vacuumed.

**STATEMENT OF PRACTICAL TREATMENT**

**If Swallowed:** Call a physician or Poison Control Center immediately. Induce vomiting by giving victim 1 or 2 glasses of water and touching back of the throat with finger. Never give anything by mouth to an unconscious person.

**If In Eyes:** Flush with water for 15 minutes. Seek medical attention if irritation persists.

**If on Skin:** Wash with soap and warm water.

**ENVIRONMENTAL HAZARDS**

Do not contaminate water by cleaning of equipment or disposal of wastes. Apply this product only as specified on this label.

**STORAGE AND DISPOSAL**

Store in a cool, dry place out of reach of children or pets.

Do not contaminate water, food, or feed by storage or disposal. Do not reuse this container.

Wrap container and put in trash.

Do not reuse empty container.

**DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Shake well before use. Apply to dry surfaces only.

**Carpets:**

1. Test on a hidden surface of carpet before use. If texture or color is affected, do not use.
2. Shake powder evenly over carpet, pay particular attention to cracks and baseboards.
3. Work the dust into the carpet by brushing lightly with a broom.
4. Wait 60 minutes. If ticks are present, wait 120 minutes.
5. Vacuum carpet thoroughly.
6. Use every two weeks during the flea season.
7. Clean carpets after using this product.

**Furniture:**

1. Remove all loose cushions.
2. Sprinkle dust into creases and corners.
3. Gently brush dust in.
4. After 60 minutes, vacuum thoroughly.
5. Do not use on exposed fabric, may cause staining.

After vacuuming, dispose of vacuum cleaner bag by wrapping securely in several layers of newspaper and discard in trash.

Treat pets with a flea and tick control product approved for use on pets before reentry in Flea and Insect Carpet Dust treated area.
