 X Registration
 Reregistration

Term of Issuance: Conditional

Name of Pesticide Product:
Purina Dog and Cat
Spray or Dip

(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

Purina Mills, Inc.
P.O. Box 66812
St. Louis, MO 63166-6812

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.
2. Change the label by revising the EPA Registration Number to read, "EPA Reg. No. 602-350".
3. The Confidential Statement of Formula (CSF) shows the lower limit as supporting the label declaration. Either adjust the percentage in the CSF or adjust the percentage of active ingredients on the label to support nominal concentrations.
4. Submit two copies of the revised final printed label for the record. Submit a new CSF, if it is revised to support nominal concentrations.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

Back Panel**PRECAUTIONARY STATEMENTS
HAZARDS TO HUMAN & DOMESTIC ANIMALS**

Harmful if swallowed. Avoid contamination of feed, food and utensils. Avoid contamination of food and utensils by keeping them covered while spraying the area.

Remove pets, birds and cover fish aquaria before room applications are made.

ENVIRONMENTAL HAZARDS

This product is toxic to fish. Do not apply directly to lakes, streams or ponds. Do not contaminate water by cleaning of equipment or disposal of wastes. Apply this product only as specified on this label.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Do not use this product in or on electrical equipment due to the possibility of shock hazard.

STORAGE AND DISPOSAL.

Do not contaminate water, food or feed by storage or disposal.

STORAGE: Do not store below 32°F. If frozen, thaw and shake well.

PESTICIDE DISPOSAL: Securely wrap original container in several layers of newspaper and discard in trash.

CONTAINER DISPOSAL: Do not reuse empty container. Rinse thoroughly before discarding in trash.

SHAKE WELL BEFORE USE**AS A DIP**

Dogs and Cats: Dilute at the rate of 3 ounces in 1 gallon of water. For rapid control of ticks, fleas, and lice, sponge or dip solution on entire animal, thoroughly wetting the skin. Avoid contact with pet's face and eyes.

Do NOT treat kittens or puppies less than four weeks old.

AS MIST SPRAY

For rapid control of ticks, fleas, and lice with a mist spray: Dilute at the rate of 1 ounce in 9 ounces of water. To insure thorough coverage, part the fur by stroking against the lay of the hair as spray is applied. Spray ticks directly. Apply to moisten the fur lightly.

DIRECTIONS FOR USE (Cont.)

AS PREMISE/YARD SPRAY**To Control Insects in Kennels and Animal Quarters:**

Dilute at the rate of 1 ounce in 10 ounces of water.

Remove pets before treating the area and ventilate thoroughly before allowing them to re-enter the treated area.

For rapid cleanout of fleas and ticks in kennels, apply with a good machine adjusted to deliver coarse droplets. Apply to the point of runoff, with special attention to cracks and crevices and other insect hiding places. Bedding should be removed and sprayed thoroughly.

Buyer assumes all risks of use, storage and handling of this product not in strict accordance with instructions given herewith.
