

[603-16]

DIRECTIONS: For use only in intermittently flooded areas, standing water, temporary rain pools, sloughs and log ponds. Dilute DIXIE LARVAECIDE in the proportion of 1 part to 50 parts of water. This is a very strong solution and will kill mosquito larvae in less than five minutes.

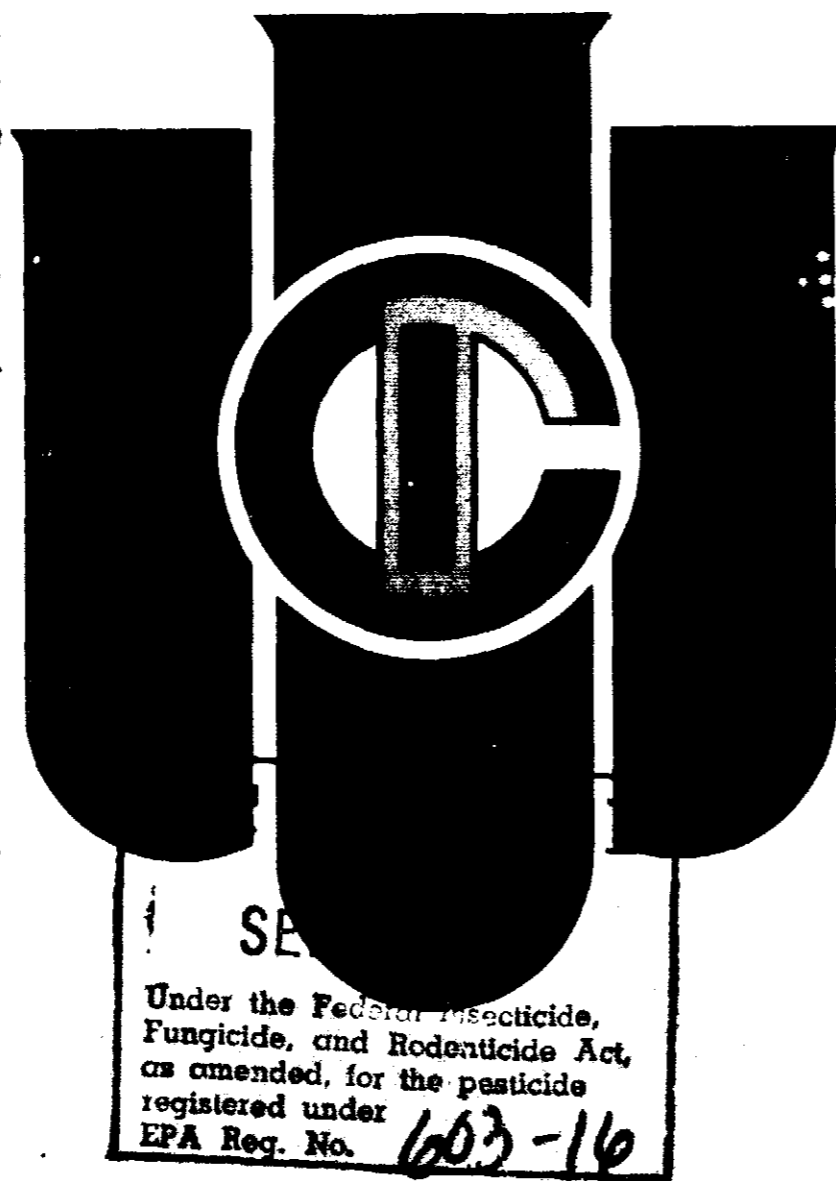

CAUTION! Avoid breathing spray mist or inhalation of fumes. Avoid contamination of feed and foodstuffs.

THIS product is toxic to fish. Keep out of lakes, streams, ponds, tidal marshes and estuaries. Do not contaminate water by cleaning of equipment or disposal of wastes. Apply this product only as specified on this label.

DO NOT reuse empty drum. Return to drum reconditioner or destroy by perforating or crushing and burying in a safe place.

ENVIRONMENTAL CAUTIONS

DO NOT apply when weather conditions favor drift from areas treated. Shrimp and crab may be killed at application rates recommended on this label. Do not apply where these are important resources.

DIXIE LARVAECIDE

Active Ingredients	% by Wt.
*Neutral Oils	85.29%
*Phenols	2.61%
Serp	2.10%
Inert Ingredient	
Water	10.00%
	<u>100.00%</u>
*Coal Tar Origin	

CAUTION: KEEP OUT OF REACH OF CHILDREN
(See back panel for additional cautions.)

DO NOT USE, POUR, SPILL OR STORE NEAR HEAT OR OPEN FLAME.

MANUFACTURED BY CHEMTECH RESOURCES, INC.

For each 40,000 gallons of water in the intermittently flooded areas, standing water, temporary rain pools, tree holes or log ponds, spray 1 gallon of DIXIE LARVAECIDE ALL around the edges of the banks for about 3 or 4 feet from the shore. For example, if the ponds have approximately 200,000 gallons capacity, spray 5 gallons of DIXIE LARVAECIDE into the standing water, also spraying some around the damp banks or edges. This will kill the larvae within a very short time.

FOLLOW these directions for best results. Remember a dilution of 1 gallon of DIXIE LARVAECIDE to 40,000 gallons of water will kill larvae in less than 30 minutes under normal conditions.

CAUTION! May be fatal if swallowed or absorbed through skin! May produce severe burns! Do not get in eyes, on skin, or on clothing. Wash thoroughly after handling.

CAUTION: KEEP OUT OF REACH OF CHILDREN.
