KEEP OUT OF REACH OF CHILDREN.

See additional precautions on side panel.

DEODORIZATION

To deodorize surfaces during cleaning, mop or brush surface with a solution containing 2 ounces of THREE D per gallon of water. THREE D is an effective antibacterial cleaner designed for use in household, industrial and institutional cleaning. When used as directed, THREE D will disinfect hard surfaces, such as floors, walls, counter tops and furniture. It may be relied upon to deodorize bathroom areas, garbage pails, food storage areas, kennel areas and other areas where obnoxious odors may develop. This product may be used to control mold and mildew, and as a general purpose antibacterial detergent in homes, schools, restaurants, hospitals, nursing homes, public rooms, food processing plants and in other places where efficient cleaning and antimicrobial action is desired. See left panel for use directions.

DANGER

KEEP OUT OF REACH OF CHILDREN. Corrosive. Causes eye damage and skin irritation. Do not get in eyes, on skin or on clothing. Protect eyes and skin when handling. Harmful if swallowed. Avoid contamination of food.

FIRST AID

In case of contact, immediately flush eyes or skin with plenty of water for at least 15 minutes. For eyes, call a physician. Remove and wash contaminated clothing before reuse.

If swallowed, drink promptly a large quantity of milk, egg whites, gelatin solution or if these are not available, drink large quantities of water. Avoid alcohol. Call a physician immediately.

NOTE TO PHYSICIAN

Probable mucosal damage may contraindicate the use of gastric lavage. Measures against circulatory shock, respiratory depression and convulsion may be needed.

Container Disposal: When empty, rinse container thoroughly with water and destroy it by crushing or burying in a safe place.
