<p>NAME AND ADDRESS OF REGISTRANT (include ZIP code)</p> <p align="right">120,155917 18/1</p> <p>Merck Sharp & Dohme Research Laboratories Division of Merck & Company, Inc. Three Bridges, NJ 08887</p>	<p>TERM OF ISSUANCE Until Reregistration</p> <p>NAME OF PESTICIDE PRODUCT AFFIRM Fire Ant Insecticide</p>	
<p>NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.</p>		
<p>On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.</p>		
<p>A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.</p>		
<p>Registration is in no way to be construed as an endorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.</p>		
<p>This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:</p>		
<ol style="list-style-type: none"> 1. Make the labeling changes listed below before you release the product for shipment: <ol style="list-style-type: none"> a. Add the phrase "EPA Registration No. 618-94 to the label. b. Revise the Environmental Hazard statement to read similar to the following: <p align="center">This product is toxic to fish and wild-life. Do not apply directly to any body of water. Do not contaminate water by cleaning of equipment or disposal of wastes.</p> c. Change the term "non-agricultural" to "non-crop" throughout the labeling. d. Delete the term "Other non-agricultural Areas" All intended sites must be specified. A statement similar to the following would be acceptable. 		
<p><input type="checkbox"/> ATTACHMENT IS APPLICABLE</p>		
<p>SIGNATURE OF APPROVING OFFICIAL</p>	<p>DATE APR 18 1986</p>	

Other non-crop areas such as parks, golf courses, etc. . . .

- e. A retreatment statement should be added to the label. We assume one application a year with possible retreatment in 3 to 4 months.
- f. The precautionary statement should be revised to read similar to the following:

Harmful if swallowed or absorbed through the skin. Avoid breathing dust. Avoid contact with eyes or clothing. Wash thoroughly with soap and water after handling.

- g. The additional Statement of Practical Treatment should appear on the labeling:

If on skin: Remove contaminated clothing and wash affected areas with soap and water.

If in eyes: Flush eyes with plenty of water. Call a physician if irritation persists.

- h. Change the common name from "Abamectin" to "Avermectin" in the ingredient statement. Abamectin is not an acceptable common name.

- i. Add the following statement to the label, "Limitations: Do not use in pastures, rangeland, or croplands."

2. Submit five (5) copies of your final printed labeling before you release the product for shipment. Refer to the A-79 Enclosure for a further description of final printed labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS

CAUTION

Harmful if swallowed. Wash thoroughly after handling.

STATEMENT OF PRACTICAL TREATMENT

If Swallowed: Give 1 or 2 glasses of water and immediately induce vomiting by gently touching back of throat with finger or administer syrup of Ipecac. Do not give anything by mouth to an unconscious person. Get medical attention.

For 24-hour emergency information, call Merck & Co., Inc. (215) 661-5000.

ENVIRONMENTAL HAZARDS

This pesticide is toxic to fish. Keep out of lakes, ponds, or streams. Do not contaminate water by cleaning of equipment or disposal of wastes.

DIRECTIONS FOR USE

It is a violation of Federal (U.S.A.) law to use this product in a manner inconsistent with its labeling.

Observe all cautions and limitations on this label.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage or disposal. AFFIRM may be an attractant to rodents and domestic animals. Store in a cool, secure, dry place.

To maintain maximum effectiveness, close container tightly after use and use within 5 months after opening.

Do not reuse empty container. Wrap and place in trash collection.

TO CONTROL IMPORTED FIRE ANTS ON TURF, LAWNS, AND NON-AGRICULTURAL AREAS

AFFIRM fire ant insecticide is formulated in an oil bait that functions as an attractant to imported fire ants.

5055

Side Panel

AFFIRM is a stomach insecticide which acts slowly to reduce fire ant colonies. An effective fire ant insecticide should be slow acting so that the bait can be passed by the workers throughout the ant colony and eventually to the queen. AFFIRM is toxic to fire ants; however, it is most effective against the fire ant queen and causes an immediate halt of egg production and disappearance of worker brood. The disappearance of worker ants leads to the decline and eventual elimination of the fire ant colony.

Apply when ants are actively foraging [typically when soil temperatures are greater than 60°F (15°C)] or consult your state agricultural experiment station or state extension service for optimum timing of application.

Apply after dew or rainfall has dried off for maximum effectiveness. For best results, do not apply if rainfall is anticipated within 4 to 6 hours after application.

INDIVIDUAL MOUND TREATMENT - Use 5 to 7 tablespoons of AFFIRM per mound. Sprinkle the bait uniformly over the mound and for a distance of approximately 2 feet out from the base of the mound. Do not apply more than 1 lb of bait per acre. Do not contaminate kitchen utensils with this product.

BROADCAST APPLICATION - Sprinkle AFFIRM uniformly on turf, lawns and non-agricultural areas. Do not exceed 1 lb of bait per acre.

CONDITIONS OF SALE AND WARRANTY

Notice of Warranty - The Directions for Use of the product reflect the opinion of experts based on field use and tests. The directions are believed to be reliable and should be followed carefully. However, it is impossible to eliminate all risks inherently associated with use of this product. Ineffectiveness, or other unintended consequences, may result because of such factors as weather conditions, presence of other materials, or the manner of use or application, all of which are beyond the control of MSD AGVET or the Seller. All such risks shall be assumed by the buyer.

MSD AGVET warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes referred to in the Directions for Use, subject to the inherent risks referred to above. Buyer assumes all risks of use and handling which are at variance in any way with the directions hereon. MSD AGVET makes no other express or implied warranty of Fitness or Merchantability or any other express or implied warranty. In no case shall MSD AGVET or the Seller be liable for consequential, special, or indirect damages resulting from the use or handling of this product. MSD AGVET and the Seller offer this product and the buyer and user accept it, subject to the foregoing Notice of Warranty which may be varied only by agreement in writing signed by a duly authorized representative of MSD AGVET.
