

Contents One Gallon
DIAMOND H

U.S.D.A. Reg. No. 619-26

DISINFECTANT

with PINE ODOR

Phenol Coefficient 5

Active Ingredients: Pine Oil,
Isopropyl Alcohol, Soap, Chloro-2-phenylphenol

Inert Matter: Water, not over 80%

Diamond H Disinfectant has powerful solvent properties which enable it to clean thoroughly. Its pine odor masks unpleasant odors and leaves a clean, pleasant odor of southern pines.

Used by Industry, Hospitals, and Public Buildings for general cleaning of floors, woodwork, and lavatories.

WARNING: Keep out of Reach of Children May Be Fatal If Swallowed or Absorbed Through Skin! May Produce Severe Burns! Do not get in eyes, on skin, or on clothing. Avoid breathing spray mist. Wash thoroughly after handling.

Directions: Dilute this disinfectant 4 ozs. to a gallon of water for general cleaning and disinfecting.

Apply the solution so as to wet thoroughly all surfaces to be disinfected.
