# **fleavol**<sup>®</sup>

BEAUTIFYING-CLEANSING SHAMPOO

**Contains:**

Active ingredients:

Pyrethrins	0.05%
Piperonyl butoxide, tech.*	0.50%
Diisopropyl cresols	0.10%
Inert ingredients	99.35%
Total	100.00%

\*Equivalent to 0.40% butylcarbityl (6-propyl piperonyl) ether and 0.10% of related compounds.

**Directions:** SMALL ANIMALS — Place dog or other small animal in tub and thoroughly soak with warm water, taking two or three minutes to wet the hair. Apply 'Fleavol' on head and ears and lather head, then repeat procedure with neck, chest, middle and hind quarters, finishing legs last. Let animal stand 5 minutes (10 minutes is even better)—this is important part of both flea-killing and grooming procedure. Rinse thoroughly—'Fleavol' washes away quickly and easily and is completely non-irritating to the skin.

**SHOW LIVESTOCK**—For grooming large animals for show purposes, wet coat thoroughly. Dilute one part 'Fleavol' with four parts warm water and apply with brush or low pressure spray gun. Rub to lather, then rinse.

BEAUTIFYING CLEANSING SHAMPOO

**Description:** A fine detergent shampoo for all animals that cleans and beautifies without heavy sudsing. Grooms perfectly, rinses thoroughly, leaves coat soft, lustrous and clean smelling.

If cold weather causes cloudiness, warm to room temperature.

U.S.D.A. No. 622-28

**CAUTION:** Keep out of reach of children

For professional use by veterinarians

6316-88

## Directions

Apply to wet coat. Rub into lather. Rinse thoroughly. Repeat if necessary. For best results, use with a good conditioner.
