EPA Reg. No. 623-36

CAUTION: Keep Out of Reach of Children. See right side panel for important precautionary and first aid treatments.

This product is a heavy duty cleaner and disinfectant designed for general purpose use where heavy duty cleaning and sanitizing is of prime importance. When used as directed, this product will remove most household dirt and grime in a single, simple application. When used for industrial cleaning, follow the use directions shown on the left side panel.

For sanitization of previously cleaned food processing equipment or food contact items, limit the active quaternary to 200 ppm. A potable water rinse is required.

DANGER

Keep Out of Reach of Children. Corrosive. Causes severe eye and skin damage. Do not get in eyes, on skin or on clothing. Protect eyes and skin when handling concentrate. Harmful if swallowed. Avoid contamination of food.

FIRST AID

In case of contact, immediately flush eyes or skin with plenty of water for at least 15 minutes. For eyes, call a physician. Remove and wash all contaminated clothing before reuse. If swallowed, drink milk, egg whites, gelatin solution, or if these are not available, drink large quantities of water. Call physician.

Rinse empty container thoroughly with water and discard.

This product is effective against Pseudomonas aeruginosa (PRD 10) at 5.0 ounces per gallon.
