CAUTION

Harmful if Swallowed. May be absorbed through skin. Do not breathe spray mist. Avoid contact with skin or eyes. In case of contact, wash immediately with soap and water; for eyes, flush with water and get medical attention. Avoid contamination of feed and foodstuffs. Do not use on household pets or humans.

This product is toxic to fish, birds, and other wildlife. Birds and other wildlife in treated areas may be killed. Keep out of lakes, streams, or ponds. Do not apply where runoff is likely to occur. Do not contaminate water by cleaning of equipment, or disposal of wastes. Apply this product only as specified on this label.

Do not reuse empty container. Destroy it by burying with waste or burning. Stay away from smoke or fumes.

Do not use, pour, spill, or store near heat or open flame.

General Information

3 tsp = 1 tbl.	10 2/3 tbls = 2 cup	1 cup = 8 oz
4 tbls = 1/2 cup	12 tbls = 2 cup	2 cups = 1 pt. = 16 oz
5 1/2 tbls = 3/4 cup	16 tbls = 1 cup	4 cups = 1 qt. = 32 oz
8 tbls = 1 cup	2 tbls = 1 tsp	4 qts = 1 gal. = 128 oz

2 qt. of any material per acre in 25 gals. water = 5 tbls. in 1 gal. of water.
1 qt. of any material per acre in 25 gals. water = 2 1/2 tbls. in 1 gal. of water.
1 pt. of any material per acre in 25 gals. water = 4 tsp. in 1 gal. of water.
1/2 pt. of any material per acre in 25 gals. water = 2 tsp. in 1 gal. of water.

DIRECTIONS FOR USE

Use only as directed — E-Z Flo 10% Lindane Transplanter Solution is a special formulation made especially for use in transplanting water against wireworms. It should be mixed thoroughly with water and will stay in suspension without agitation during the transplanting operation. The transplanter solution establishes a zone of protection against wireworms around the roots of newly set plants. This allows the roots and the new plants to become established.

TOBACCO: Wireworms — Use 1 to 2 fluid ounces (2 to 4 tablespoonfuls) in 50 gals. of transplanting water, depending on the type of soil. Apply at the rate of 1/2 pint to the plant or about 200 to 250 gallons of mixture to the acre.

Do not breathe spray mist. Avoid contact with eyes. In case of contact, wash immediately with soap and water; for eyes, flush with water and get medical attention. Avoid contamination of feed and foodstuffs. Do not use on household pets or humans.

This product is toxic to fish, birds, and other wildlife. Birds and other wildlife in treated areas may be killed. Keep out of lakes, streams, or ponds. Do not apply where runoff is likely to occur.
